

NEIL F. JONES MD, FRCS, FACS

101 The City Drive South, Pavilion III,
Orange, CA 92868
714-456-5759
Fax 714-456-7547

EDUCATION AND TRAINING

UNDERGRADUATE

1967-1971	Trinity College, Oxford University Oxford, England	Biochemistry BA (Hons) 1971
-----------	---	--------------------------------

MEDICAL SCHOOL

1972-1974	Oxford University Medical School Oxford, England	Medicine BM. BCh. 1975
-----------	---	---------------------------

POST GRADUATE

2/75-7/75	University Hospitals Southampton, England	Internal Medicine
8/75-1/76	Radcliffe Infirmary Oxford, England	General Surgery
2/76-10/76	Radcliffe Infirmary Oxford, England	Orthopaedic Surgery
11/76-12/77	Medical College of Wisconsin Milwaukee, Wisconsin (Exchange Program with Oxford University)	General Surgery
1/78-6/79	University Hospital of Wales Swansea, Great Britain	General Surgery/Orthopaedic Surgery/ Neurosurgery
7/79-6/81	University of Michigan Ann Arbor, Michigan	Plastic and Reconstructive Surgery Senior Resident and Chief Resident William C. Grabb, M.D.

FELLOWSHIP TRAINING

3/80	University of Louisville Louisville, Kentucky	Training in Microsurgery Robert Acland, M.D.
1/82-12/82	North East Thames Regional Plastic Surgery Unit The London Hospital and St. Bartholomew's Hospital London, England	Fellow in Plastic Surgery
1/83-12/83	Harvard Medical School and Massachusetts General Hospital Boston, Massachusetts	Fellow in Orthopedic Hand Surgery and Microsurgery Richard J. Smith, M.D. Jesse B. Jupiter, M.D. James W. May, M.D.

APPOINTMENTS AND POSITIONS

Academic

1983	Harvard Medical School and Massachusetts General Hospital Boston, Massachusetts	Instructor Department of Orthopaedic Surgery
1984-1989	University of Pittsburgh Pittsburgh, Pennsylvania	Assistant Professor Plastic & Reconstructive Surgery
1986-1993	University of Pittsburgh Pittsburgh, Pennsylvania	Fellowship Director Hand Surgery and Microsurgery
1989-1993	University of Pittsburgh Pittsburgh, Pennsylvania	Associate Professor with Tenure Plastic & Reconstructive Surgery
1993-2008	University of California Los Angeles	Professor and Chief of Hand Surgery Department of Orthopaedic Surgery and Division of Plastic & Reconstructive Surgery
2008-	University of California Irvine	Professor and Chief of Hand Surgery Department of Orthopaedic Surgery

and Division of Plastic &
Reconstructive Surgery

CERTIFICATION AND LICENSURE

Specialty Certification

1979 Fellowship of the Royal College of Surgeons of England (FRCS)
1985 American Board of Plastic and Reconstructive Surgery
1990 Certificate of Added Qualifications in Hand Surgery
1990 Fellow American College of Surgeons (FACS)

Medical or Other Professional Licensure

1975	ECFMG	237-764-6
1982	Commonwealth of Massachusetts	51063
1984	Commonwealth of Pennsylvania	MD 030966E
1992	California	A056401

MEMBERSHIPS IN PROFESSIONAL AND SCIENTIFIC SOCIETIES

1985	American Society of Plastic and Reconstructive Surgeons
1987	American Society for Surgery of the Hand
1987	American Society for Reconstructive Microsurgery
1988	World Society for Reconstructive Microsurgery – Founding Member
1992	American Association of Plastic Surgeons
2008	American Society of Reconstructive Transplantation – Founding Member
2011	American Association for Hand Surgery

COMMITTEES OF PROFESSIONAL AND SCIENTIFIC SOCIETIES

2016-2017	Past President	-	American Society for Surgery of the Hand
2015-2016	President	-	American Society for Surgery of the Hand
2014-2015	President-Elect	-	American Society for Surgery of the Hand
2013-2014	Vice President	-	American Society for Surgery of the Hand
2000-2003	Council	-	American Society for Surgery of the Hand
2008-2009	President	-	American Society for Reconstructive Microsurgery
2007-2008	President-Elect	-	American Society for Reconstructive Microsurgery
2006-2007	Historian	-	American Society for Reconstructive Microsurgery
1999-2001	Secretary	-	American Society for Reconstructive Microsurgery
1996-1998	Council	-	American Society for Reconstructive Microsurgery
1999	Program Chairman	-	World Society for Reconstructive Microsurgery 13th Symposium

American Board of Plastic Surgery - Advisory Committee on Hand Surgery

Editor	-	Reconstructive Microsurgery 1999-2001
Associate Editor	-	Annals of Plastic Surgery
Associate Editor	-	Year Book of Hand Surgery
Associate Editor	-	Techniques in Hand & Upper Extremity Surgery

Associate Editor	-	Journal of Reconstructive Microsurgery
Associate Editor	-	Journal of Hand Surgery 1990-1995
Guest Reviewer	-	Journal of Hand Surgery
Guest Reviewer	-	Plastic and Reconstructive Surgery
Guest Reviewer	-	Annals of Plastic Surgery
Guest Reviewer	-	Journal of Reconstructive Microsurgery
Guest Reviewer	-	Microsurgery
Guest Reviewer	-	Clinical Orthopaedics and Related Research
Guest Reviewer	-	Journal of Bone and Joint Surgery

American Society for Surgery of the Hand:

1995	Program Committee
1995	Clinical Priorities Task Force
1995	Coding Committee
1995	Primary Care Provider Education Task Force
1995	Chairman, Regional Review Course, Los Angeles, California.
1996	Program Committee
1997	Program Committee
1998	Membership Committee
1998	Chairman, Regional Review Course, Los Angeles, California.
1999	Membership Committee
1999-2000	Bylaws Committee
1999-2001	Hand Surgery Fellowship Committee
2000	Program Committee
2000	ASPRS Liaison
2000	Japanese Society for Surgery of the Hand Traveling Fellows Host
2000-01	Division Director, Adrian E. Flatt Residents and Fellows Conference Committee
2000-01	Division Director, Annual Meeting Local Hosts Committee
2000-01	Division Director, Annual Meeting Program Committee
2000-01	Division Director, Annual Meeting Oversight Committee
2000-01	Division Director, Video Theater Committee
2000-01	Division Director, Annual Meeting Exhibits Committee
2001	Fellowship Directors Committee
2001-03	Education and Research Team
2002	Fellowship Directors' Committee
2002-03	Co-Chair, IT Oversight Committee
2003	Fellowship Directors Committee
2003-04	Plastic Surgery Task Force
2003-04	Publications Task Force
2003-04	Chairman, Basic Science Research Committee

2004 Fellowship Directors Committee
 2005 **Co-Program Chairman**, American Society for Surgery of the Hand and American Association for Hand Surgery Specialty Day, American Academy of Orthopedic Surgeons
 2005 Fellowship Directors Committee
 2006 Fellowship Directors Committee
 2006 ASSH Visiting Professor, University of Indiana, Indianapolis, Indiana
 2006 ASSH Visiting Professor, Brown University, Providence, Rhode Island
 2006-09 Association of Hand Fellowship Directors Steering Committee
 2003-09 Evidence Based Practice Committee
 2004-07 AAHS Liaison, Specialty Day Program Committee
 2009-2011 Scope of Hand Surgery and Curriculum development Task Force
 2013-2014 Vice President
 2015-2016 President
 2016-2017 Past President

American Society of Plastic and Reconstructive Surgeons:

1993 Scientific Program Committee
 1994 Scientific Program Committee
 1995 Scientific Program Committee
 1996 Scientific Program Committee, Chairman Microsurgery Section

American Association of Plastic Surgeons:

1997 Program Committee
 1998 Program Committee
 1999 Program Committee
 2003 Time and Place Committee

American Society for Reconstructive Microsurgery:

1991 Forward Planning Committee
 1992 Coding and Fees Committee
 1992 Membership Committee
 1993 Coding and Fees Committee
 1994 Coding and Fees Committee
 2003-06 Upper Extremity Committee
 2007 Chair, Finance Committee
 2007 Chair, Godina Fellowship Selection Committee
 2007 Chair, Membership Committee

2007 Program Committee
2007 President-Elect
2008 President
2009 Immediate Past President
2009 Chair, Buncke Lecturer committee
2009 Chair, Time and Place committee
2009 Chair, Nominating committee
2010 Time and Place committee

World Society for Reconstructive Microsurgery:

1991-93 Membership Committee
2000 Program Chairman 13th Symposium

International Federation of Societies for Surgery of the Hand:

2002-03 Chairman, Committee on Hand Transplantation

American College of Surgeons, Southwestern Pennsylvania Chapter:

1991-93 Council

HONORS

- 1967-1971 Major Open Scholarship in Medicine
Trinity College, Oxford University, Oxford, England
- 1973 Radcliffe Infirmary Prize in Surgery
- 1992 Best Hand Surgeon in Pittsburgh, Pittsburgh Magazine
- 1992 Cited for Hand Surgery in "The Best Doctors in America", Woodward-White
- 1992 Summer L. Koch Award, American Society for Surgery of the Hand
- 1994 Cited for Hand Surgery and for Microsurgery in "The Best Doctors in America",
Woodward-White
- 1996 Cited for Hand Surgery and for Microsurgery in "The Best Doctors in the West",
Woodward-White
- 1997 Summer L. Koch Award, American Society for Surgery of the Hand
- 1998 Summer L. Koch Award, American Society for Surgery of the Hand
- 1998 Cited for Hand Surgery and for Microsurgery in "The Best Doctors in America",
Woodward-White
- 2003 Cited for Hand Surgery and for Microsurgery in "The Best Doctors in America",
Woodward-White
- 2006 Cited for Hand Surgery and for Microsurgery in "The Best Doctors in America",
Woodward-White
- 2006 2006 Janie S. Benner Memorial Spirit Award.
National Scleroderma Foundation
- 2008 Cited for Hand Surgery and for Microsurgery in "The Best Doctors in America",
Woodward-White
- 2009 Kevin L. Armstrong MD Clinical Faculty Teaching Award
University of California, Irvine School of Medicine
- 2009-2010 Cited for Hand Surgery and for Microsurgery in "The Best Doctors in America",

Woodward-White

- 2011-2012 Cited for Hand Surgery and for Microsurgery in "The Best Doctors in America", Woodward-White
- 2013-2014 Cited for Hand Surgery and for Microsurgery in "The Best Doctors in America", Woodward-White
- 2015-2016 Cited for Hand Surgery and for Microsurgery in "The Best Doctors in America", Woodward-White

KEYNOTE SPEAKER AT INTERNATIONAL SOCIETIES

1. Keynote Speaker, Canadian Society for Reconstructive Microsurgery (GAM). St. John's, Newfoundland, Canada, 1993. "Microsurgical reconstruction of extensive and complex defects of the head and neck".
2. Keynote speaker, Taiwan Society of Plastic and Reconstructive Surgeons, Annual Meeting, Taipei, Taiwan, 1993. "Microsurgical reconstruction after head and neck cancer".
3. Taiwan Society for Surgery of the Hand, Taipei, Taiwan, 1993. "Tendon transfers for reconstruction of the hand".
4. Taiwan Society for Surgery of the Hand, Taipei, Taiwan, 1993. "Congenital anomalies of the hand".
5. Keynote Speaker, Korean Society of Plastic and Reconstructive Surgeons, Seoul, Korea, 1997. "Acute and chronic ischemia of the hand".
6. Keynote Speaker, British Society for Surgery of the Hand, Manchester, England, 2002. "Decision making in soft tissue coverage of the hand".
7. Keynote Speaker, British Society for Surgery of the Hand, Manchester, England, 2002. "Vascular disorders of the hand".
8. Keynote Speaker, British Society for Surgery of the Hand, Manchester, England, 2002. "Replantation".
9. Keynote Speaker, British Society for Surgery of the Hand, Manchester, England, 2002. "Toe-to-hand transfers".

10. Godrej Oration, Indian Society for Surgery of the Hand, Chennai, India, 2009. "Toe-to-hand transfers for reconstruction of congenital anomalies of the hand." Jones NF.
11. Keynote Speaker, Indian Association of Plastic Surgeons, Chennai, India, 2009. "Improvements in microsurgical reconstruction of the head and neck." Jones NF.
12. Keynote Speaker, Indian Association of Plastic Surgeons, Chennai, India, 2009. "Microsurgical reconstruction of the upper extremity." Jones NF.
13. Keynote Speaker, Korean Society of Microsurgery, Seoul, South Korea, 2010. "The contribution of microsurgery to hand and upper extremity surgery." Jones NF.
14. Keynote Speaker, Chang Gung University Medical College – Mayo Clinic Symposium in Reconstructive Surgery, Taipei, Taiwan, 2011 "Pollicization." Jones NF.
15. Keynote Speaker, Chang Gung University Medical College – Mayo Clinic Symposium in Reconstructive Surgery, Taipei, Taiwan, 2011 "Toe transfers for congenital anomalies of the hand." Jones NF.
16. Keynote Speaker, Chang Gung University Medical College – Mayo Clinic Symposium in Reconstructive Surgery, Taipei, Taiwan, 2011 "Indications and current surgical techniques of nerve grafting." Jones NF.
17. Keynote Speaker, Chang Gung University Medical College – Mayo Clinic Symposium in Reconstructive Surgery, Taipei, Taiwan, 2011 "Compression neuropathies." Jones NF.
18. Keynote Speaker, Chang Gung University Medical College – Mayo Clinic Symposium in Reconstructive Surgery, Taipei, Taiwan, 2011 "Reconstruction of through and through defects of the oral cavity and mandible." Jones NF.
19. Keynote Speaker, Japanese Society for Reconstructive Microsurgery, Niigata, Japan, 2011. "Nerve repair and reconstruction of nerve defects – state of the art." Jones NF.
20. Keynote Speaker, Japanese Society for Reconstructive Microsurgery, Niigata, Japan, 2011. "The contribution of microsurgery to hand and upper extremity surgery." Jones NF.
21. Keynote Speaker, Japanese Society for Reconstructive Microsurgery, Niigata, Japan, 2011. "Microsurgical reconstruction of extensive and complex defects of the head and neck." Jones NF.

22. Keynote Speaker, Swiss Society for Surgery of the Hand, Thun, Switzerland, 2012.
“Indications and current surgical techniques of nerve grafting. Jones NF.
23. Keynote Speaker, Swiss Society for Surgery of the Hand, Thun, Switzerland, 2012.
“Tendon transfers for radial nerve palsy.” Jones NF.
24. Keynote Speaker, Swiss Society for Surgery of the Hand, Thun, Switzerland, 2012.
“Functional outcomes after toe transfers for reconstruction of congenital hand anomalies.”
Jones NF.
25. Keynote Speaker, Chinese Microsurgery Society, Shanghai, China, 2013.
“The contribution of microsurgery to hand surgery and upper extremity surgery.”
Jones NF.
26. Keynote Speaker, Chinese Microsurgery Society, Shanghai, China, 2013.
“Toe transfers for reconstruction of congenital hand anomalies.” Jones NF.
27. Keynote speaker, British Columbia Hand Society, Harrison Springs, British Columbia,
Canada, 2013. “Radial tunnel syndrome - fact or fiction?” Jones NF.
28. Keynote speaker, British Columbia Hand Society, Harrison Springs, British Columbia,
Canada, 2013. “Failed carpal tunnel release.” Jones NF.
29. Keynote speaker, British Columbia Hand Society, Harrison Springs, British Columbia,
Canada, 2013. “Tendon transfers for post-traumatic reconstruction of the wrist and hand.”
Jones NF.
30. Keynote speaker, British Columbia Hand Society, Harrison Springs, British Columbia,
Canada, 2013. “Thumb reconstruction in adults and children.” Jones NF.
31. Keynote speaker, British Columbia Hand Society, Harrison Springs, British Columbia,
Canada, 2013. “Vascular problems in the hand.” Jones NF.
32. Keynote Speaker, Korean Society for Surgery of the Hand, Seoul, Korea, 2013.
“Decision-making in thumb reconstruction in children and adults.” Jones NF.
33. Keynote Speaker, Korean Society for Surgery of the Hand, Seoul, Korea, 2013.
“Microsurgical toe transfers for reconstruction of congenital hand anomalies.” Jones NF.
34. Keynote Speaker, Korean Society for Surgery of the Hand, Seoul, Korea, 2013.
“Tendon transfers for post-traumatic reconstruction of the wrist and hand.” Jones NF.

35. Keynote Speaker, European Federation of Microsurgery Societies, Barcelona, Spain, 2014. "Pediatric microsurgery." Jones NF.
36. Keynote Speaker, Chinese Microsurgery Society Advanced Course, Xian, China, 2014. "Pediatric microsurgery with a special emphasis on toe-to-hand transfers." Jones NF.
37. Keynote Speaker, New South Wales Hand Surgery Association, Queenstown, New Zealand, 2015. "The contribution of microsurgery to hand and upper extremity surgery." Jones NF.
38. Keynote Speaker, New South Wales Hand Surgery Association, Queenstown, New Zealand, 2015. "Thumb reconstruction." Jones NF.
39. Keynote Speaker, New South Wales Hand Surgery Association, Queenstown, New Zealand, 2015. "Nerve grafting – indications and surgical techniques." Jones NF.
40. Keynote Speaker, New South Wales Hand Surgery Association, Queenstown, New Zealand, 2015. "Operations I no longer perform." Jones NF.
41. Keynote Speaker, New South Wales Hand Surgery Association, Queenstown, New Zealand, 2015. "Comparison of functional and subjective outcomes of electric multi-articulating prostheses, hand transplants and toe-to-hand transfers." Jones NF.
42. European Federation of Societies for Surgery of the Hand, Santander, Spain, 2016. "Major hand trauma in children." Jones NF.
43. European Federation of Societies for Surgery of the Hand, Santander, Spain, 2016. "Post-traumatic reconstruction of the thumb and fingers in children." Jones NF.
44. American Society for Surgery of the Hand, Austin, Texas, 2016. Presidential Address: "Teaching Hands - Pass it on." Jones NF.

INVITED PRESENTATIONS

1. American Association for Hand Surgery, Kansas City, Missouri, 1985. Instructional Course: "Microsurgical reconstruction of the upper extremity." (with Swartz WM)
2. Northeastern Society of Plastic Surgeons, Baltimore, Maryland, 1986. Instructional Course: "Rigid internal fixation in the hand."

3. American College of Surgeons, New Orleans, Louisiana, 1986. Instructional Course: "Reconstruction of the skull base."
4. American Association for Hand Surgery, Los Angeles, California, 1986. "Instructional Course: "Microsurgical reconstruction of the upper extremity." (with Swartz WM)
5. Robert H. Ivy Society of Plastic and Reconstructive Surgeons, Pittsburgh, Pennsylvania, 1987. "AO plate fixation in the hand."
6. Faculty, Plastic Surgery Educational Foundation Symposium, Pittsburgh, Pennsylvania, 1987. "Facial Reconstruction: Choices and Aesthetics."
7. American Society for Surgery of the Hand, Regional Review Course in Hand Surgery, Philadelphia, Pennsylvania, 1987. "Soft tissue coverage of the hand and fingertip injuries."
8. Faculty, AO/ASIF Basic and Advanced Hand Courses, San Diego, California, 1988.
9. Northeastern Society of Plastic Surgeons, Washington, DC, 1988. Eye-opener Session: "Hand surgery."
10. American Society for Reconstructive Microsurgery, Baltimore, Maryland, 1988. Instructional Course: "Microsurgery in the upper extremity." (with Lister GD)
11. American Association for Hand Surgery, San Francisco, California, 1989. Instructional Course: "Soft tissue coverage of the hand." (with Swartz WM).
12. American Association for Hand Surgery, San Francisco, California, 1989. "The less than successful nerve repair - What next? Timing in tendon transfers."
13. American Society of Plastic and Reconstructive Surgeons, San Francisco, California, 1989. "Free flap flops how to prevent them."
14. American Society of Plastic and Reconstructive Surgeons, San Francisco, California, 1989. Instructional Course: "Tendon Transfers for reconstruction of the hand."
15. American Society for Surgery of the Hand, Regional Review Course in Hand Surgery, Pittsburgh, Pennsylvania, 1989. "Microsurgical reconstruction of the hand."
16. American Society for Surgery of the Hand, Regional Review Course in Hand Surgery, Pittsburgh, Pennsylvania, 1989. "Congenital anomalies of the hand."

17. American Society for Reconstructive Microsurgery, Toronto, Canada. 1990. "Monitoring of free flaps."
18. American Society of Plastic and Reconstructive Surgeons, Boston, Massachusetts, 1990. Instructional Course: "Tendon transfers for reconstruction of the hand."
19. Faculty, American Society for Surgery of the Hand. Snowbird, Utah. 1991. "Internal fixation in hand surgery."
20. American Society of Plastic and Reconstructive Surgeons, Seattle, Washington, 1991. Instructional Course: "Tendon transfers for reconstruction of the hand."
21. American Society for Surgery of the Hand, Regional Review Course in Hand Surgery, Philadelphia, Pennsylvania, 1991. "Microsurgical reconstruction of the hand."
22. Faculty, Plastic Surgery Educational Foundation Symposium, St. Louis, Missouri, 1992. "Current concepts in microsurgical tissue transfer".
23. Faculty, American Academy of Orthopedic Surgeons Symposium, Pittsburgh, Pennsylvania 1992. "Injuries to the hand and their sequelae."
24. American Society of Plastic and Reconstructive Surgeons, Washington, D.C., 1992. Instructional Course: "Tendon transfers for reconstruction of the hand."
25. American Society of Plastic and Reconstructive Surgeons, Washington, D.C., 1992. Panel member: "Hand trauma - nuances and pitfalls."
26. American Society for Surgery of the Hand, Regional Review Course in Hand Surgery, Erie, Pennsylvania, 1992. "Congenital anomalies of the hand".
27. American Society for Reconstructive Microsurgery, Scottsdale, Arizona, 1992. Instructional Course: "Design and planning free flaps". (with Upton J., Seibert J.).
28. Faculty, American Society for Surgery of the Hand. Snowbird, Utah, 1993. "Internal fixation in hand surgery".
29. Groupe pour l'Avancement de la Microchirurgie, XVIII Congress, Combined Meeting of the American, French, Italian and Spanish Microsurgical Societies, St Tropez, France, 1993. Chairman, Panel on "Microsurgical reconstruction of the head and neck".
30. American Society for Reconstructive Microsurgery, Kansas City, Missouri, 1993. Instructional Course: "Vascular disorders of the hand".

31. American Society for Reconstructive Microsurgery, Kansas City, Missouri, 1993. Expert commentary: "Microsurgical reconstruction of the cranial base".
32. American Society of Plastic and Reconstructive Surgeons, New Orleans, Louisiana, 1993. Instructional Course: "Tendon transfers for reconstruction of the hand".
33. American Society of Plastic and Reconstructive Surgeons, New Orleans, Louisiana, 1993. Panel member: "Open and closed treatment of hand fractures and open and closed treatment of carpal tunnel syndrome".
34. American Society for Surgery of the Hand, Kansas City, Missouri, 1993. Panel member: "Soft tissue coverage of the hand - conventional versus microsurgical flaps".
35. American Society for Surgery of the Hand, Regional Review Course, Los Angeles, California, 1993. "Rheumatoid arthritis of the wrist and hand".
36. First International Congress on Maxillofacial Prosthetics, Palm Springs, California, 1994. "Microsurgical reconstruction of the oral cavity".
37. AO Foundation Advanced Hand Course, Telluride, Colorado, 1994. "Free vascularized joint reconstruction".
38. American Society of Plastic and Reconstructive Surgeons, San Diego, California, 1994. Instructional Course: "Tendon transfers for reconstruction of the hand".
39. American Society of Plastic and Reconstructive Surgeons, San Diego, California, 1994. Panel member: "Creative solutions for impossible problems in hand surgery".
40. American Society for Surgery of the Hand, Cincinnati, Ohio, 1994. Panel member: "Soft tissue coverage of complex defects of the upper extremity".
41. American Society for Reconstructive Microsurgery/American Association of Hand Surgery, Combined Annual Meeting, Marco Island, Florida, 1995. Instructional Course: "Vascular disorders of the hand".
42. UCLA Cerebral Palsy Symposium, Ensenada, Mexico, 1995. "Cerebral palsy of the upper extremity".
43. Faculty, American Society for Surgery of the Hand, Aspen, Colorado, 1995. "Internal fixation in hand surgery".

44. American Society for Surgery of the Hand, Annual Meeting, San Francisco, California, 1995. Chairman, Microsurgery Panel.
45. American Society of Plastic and Reconstructive Surgeons, Annual Meeting, Montreal, Canada, 1995. Instructional course: "Tendon transfers for reconstruction of the hand".
46. American Society of Plastic and Reconstructive Surgeons, Annual Meeting, Montreal, Canada, 1995. Hand Surgery Session Secretary.
47. American Society for Surgery of the Hand, Regional Review Course, Los Angeles, California, 1995. "Tendon transfers".
48. American Society for Surgery of the Hand, Regional Review Course, Los Angeles, California, 1995. "Microsurgery".
49. American Academy of Orthopaedic Surgeons Symposium: "From the elbow to the hand", San Francisco, California, 1996. "Congenital anomalies of the hand".
50. American Academy of Orthopaedic Surgeons Symposium: "From the elbow to the hand", San Francisco, California, 1996. "Vascular injuries".
51. Plastic Surgery Educational Foundation Symposium: "Limb salvage and reconstruction", Seattle, Washington, 1996. "Experimental limb transplantation".
52. Plastic Surgery Research Council, Annual Meeting, St. Louis, Missouri, 1996. "Composite tissue transplantation".
53. Fourth International Conference on Head and Neck Cancer, Toronto, Canada, 1996. Panel member: "Managing the mandible".
54. United Scleroderma Foundation 15th Annual Conference, Los Angeles, California, 1996. "Scleroderma of the hand".
55. American Society for Surgery of the Hand, Annual Meeting, Nashville, Tennessee, 1996. Chairman Surgical Skills Demonstration: "Pedicle and free flap coverage of the hand".
56. American College of Surgeons, Annual Meeting, San Francisco, California, 1996. Panel member: "Free flap reconstruction of the head and neck".
57. AO/ASIF Advanced Symposium: "Principles of managing complex fractures and failed internal fixation", San Francisco, California, 1996. "Soft tissue coverage of the extremities".

58. American Society of Plastic and Reconstructive Surgeons, Annual Meeting, Dallas, Texas, 1996. Instructional course: "Tendon transfers for reconstruction of the hand".
59. American Society of Plastic and Reconstructive Surgeons, Annual Meeting, Dallas, Texas, 1996. Panel Member: "Phalangeal fractures - contemporary perspectives".
60. American Society of Plastic and Reconstructive Surgeons, Annual Meeting, Dallas, Texas, 1996. Chairman Microsurgery panel: "Optimizing the success of reconstructive microsurgery in the new health care system".
61. American Society for Reconstructive Microsurgery, Annual Meeting, Boca Raton, Florida, 1997. "Microsurgical reconstruction of the upper extremity".
62. First World Boxing Medical Congress, Aruba, 1997. "Diagnosis and treatment of injuries to the hand and wrist".
63. American Society of Plastic and Reconstructive Surgeons, Annual Meeting, San Francisco, California, 1997. Instructional course: "Tendon transfers for reconstruction of the hand".
64. American Association for Hand Surgery and American Society for Reconstructive Microsurgery, Combined Annual Meeting, Scottsdale, Arizona, 1998. "Ischemia of the hand".
65. American Society for Reconstructive Microsurgery, Annual Meeting, Scottsdale, Arizona, 1998. "Microsurgical reconstruction of the hand".
66. Los Angeles Hand Club, 1998. "Microsurgical toe-to-hand transfers for reconstruction of congenital hand anomalies".
67. Plastic Surgery Educational Foundation. Reconstructive Surgery: State of the Art Symposium, Durham, North Carolina, 1998. "Free tissue transfer and flap selection for upper extremity reconstruction".
68. Plastic Surgery Educational Foundation. Reconstructive Surgery: State of the Art Symposium, Durham, North Carolina, 1998. "Hand fracture management: Is there anything new"?
69. Plastic Surgery Educational Foundation. Reconstructive Surgery: State of the Art Symposium, Durham, North Carolina, 1998. "Osteocutaneous fibular flap".

70. American Society of Plastic and Reconstructive Surgeons, Annual Meeting, Boston, Massachusetts, 1998. Panel member: "New techniques in flexor tendon surgery".
71. American Society of Plastic and Reconstructive Surgeons, Annual Meeting, Boston, Massachusetts, 1998. Instructional course: "Tendon transfers for reconstruction of the wrist and hand".
72. American Society for Surgery of the Hand, Regional Review Course, Los Angeles, California, 1998. "Microsurgical reconstruction of the upper extremity".

74. Boston Hand Club, Boston, Massachusetts, 1998. "Acute and chronic ischemia of the hand".
75. International Society of Reconstructive Microsurgery, 13th Symposium, Los Angeles, California, 1999. "Microsurgical reconstruction of the head and neck".
76. International Congress of Plastic and Reconstructive Surgery, San Francisco, California, 1999. Instructional Course: "Tendon transfers for reconstruction of the wrist and hand".
77. American Society for Surgery of the Hand, Masters Techniques in Hand Surgery, Boston, Massachusetts, 1999. Pedicled radial forearm flap demonstration.
78. American Society for Surgery of the Hand, Annual Meeting, Boston, Massachusetts, 1999. Panel member: "Hand transplantation – are we ready yet"?
79. American Society of Plastic and Reconstructive Surgeons, Annual Meeting, New Orleans, Louisiana, 1999. Instructional course: "Tendon transfers for reconstruction of the wrist and hand".
80. American Association for Hand Surgery, Annual Meeting, Miami, Florida, 2000. "Vascular problems in the hand".
81. American Society for Reconstructive Microsurgery, Annual Meeting, Miami, Florida, 2000. Residents Symposium: "Workhorse flaps for microsurgery".
82. Hand Trauma 2000 Symposium, Philadelphia, Pennsylvania, 2000. "Emergency decision making in complex hand trauma".

83. Hand Trauma 2000 Symposium, Philadelphia, Pennsylvania, 2000. Moderator: "Soft tissue coverage of the upper extremity".
84. Hand Trauma 2000 Symposium, Philadelphia, Pennsylvania, 2000. "Flexor tendon repair and rehabilitation".
85. Hand Trauma 2000 Symposium, Philadelphia, Pennsylvania, 2000. Moderator: "Soft tissue coverage about the elbow".
86. International Composite Tissue Allotransplantation Symposium, Louisville, Kentucky, 2000. "Functional, histological and immunological results of whole limb, joint and nerve allograft transplantation immunosuppressed with Cyclosporine, FK-506 and RS-61443".
87. International Society for Head and Neck Surgery, San Francisco, California, 2000. Panel member: "Complications and limitations of microsurgical reconstruction of the head and neck".
88. American Society of Plastic Surgeons, Los Angeles, California, 2000. Instructional course: "Tendon transfers for reconstruction of the wrist and hand".
89. American Society of Plastic Surgeons, Los Angeles, California, 2000. Panel member: "Revision surgery after failed carpal tunnel surgery".
90. American Society of Plastic Surgeons, Los Angeles, California, 2000. Instructional course: "The complete head and neck microsurgery course". Boyd JB, Jones NF, Zuker RM.
91. American Association for Hand Surgery and American Society for Reconstructive Microsurgery, Combined Annual Meeting, San Diego, California, 2001. Instructional course: "Vascular problems in the hand".
92. Northwest Society of Plastic Surgeons, Kauai, Hawaii, 2001. Guest Speaker: "Microsurgical reconstruction of extensive and complex defects of the head and neck".
93. Northwest Society of Plastic Surgeons, Kauai, Hawaii, 2001. Guest Speaker: "Compression neuropathies around the elbow and forearm".
94. Northwest Society of Plastic Surgeons, Kauai, Hawaii, 2001. Guest Speaker: "Microsurgical reconstruction of the upper extremity".
95. Management of Complex Elbow Problems, Philadelphia, Pennsylvania, 2001. "Soft tissue coverage of the elbow".

96. Management of Complex Elbow Problems, Philadelphia, Pennsylvania, 2001. "Medial epicondylectomy".
97. Management of Complex Elbow Problems, Philadelphia, Pennsylvania, 2001. "Nerve problems around the elbow".
98. American Society for Surgery of the Hand, Baltimore, Maryland, 2001. "The role of hand transplantation in the 21st century"?
99. Plastic Surgery Educational Foundation Reconstructive Symposium, Los Angeles, California, 2002. "Vascularized bone transfers and toe-to-hand transfers".
100. American Society for Surgery of the Hand, Phoenix, Arizona, 2002. "Toe-to-hand transfers for congenital anomalies of the hand".
101. American Society for Surgery of the Hand, Annual Meeting, Phoenix, Arizona, 2002. Panel Chairman: "Post-traumatic reconstruction of the thumb".
102. American Society of Plastic Surgeons, Dallas, Texas, 2002. Instructional course: "Tendon transfers for reconstruction of the wrist and hand".
103. American Society of Plastic Surgeons, Dallas, Texas, 2002. Instructional course: "Complex reconstruction of congenital hand anomalies". Zuker RM, Clarke H, Jones NF.
104. American Society for Surgery of the Hand, Chicago, Illinois, 2003. Chairman, Surgical Skills Course, "Vascularized flaps for soft tissue coverage and reconstruction of the hand".
105. American Society of Plastic Surgeons, San Diego, California, 2003. Instructional course: "The complete head and neck microsurgery course". Boyd JB, Jones NF, Zuker RM.
106. American Society for Surgery of the Hand, New York, 2004. Faculty, Current Controversies and Demonstrations in Hand Surgery. "Ulnar nerve static transfers".
107. American Society for Surgery of the Hand, New York, 2004. Chairman Instructional Course: "Soft tissue reconstruction of the hand". Hastings H, Jones NF, Scheker L.
108. American Society of Plastic Surgeons, Philadelphia, Pennsylvania, 2004. Instructional Course: "Complex reconstruction of congenital hand anomalies." Jones NF, Zuker RM,.

109. American Society of Plastic Surgeons, Philadelphia, Pennsylvania, 2004. Instructional Course: "Tendon transfers for reconstruction of the wrist and hand."
110. American Society of Plastic Surgeons, Philadelphia, Pennsylvania, 2004. Masters Series Course in Plastic Surgery: "Hand Surgery." Jones NF, Beasley RW.
111. American Society of Plastic Surgeons, Philadelphia, Pennsylvania, 2004. Panel member: "Nerve entrapment syndromes." Van Beek A, Dellon L, Jones NF, Mackinnon S.
112. Keynote Speaker, New England Society for Surgery of the Hand, Sturbridge, Massachusetts, 2004. "Microsurgical reconstruction of the upper extremity."
113. American Association for Hand Surgery, Puerto Rico, 2005. Instructional Course: "Thumb reconstruction."
114. American Society for Reconstructive Microsurgery, Puerto Rico, 2005. Panel member: "Facial transplantation." Barker JH, Butler P, Jones NF, Siegler M, Siemenow M, Walton R.
115. Faculty, American Society for Surgery of the Hand, Comprehensive Management of Skeletal and Soft Tissue Problems of the Hand, Wrist and Elbow, Telluride, Colorado, 2005.
116. Co-Program Chairman, American Society for Surgery of the Hand and American Association for Hand Surgery Specialty Day, American Academy of Orthopedic Surgeons, Washington DC, 2005.
117. American Society for Surgery of the Hand and American Association for Hand Surgery Specialty Day, American Academy of Orthopedic Surgeons, Washington DC, 2005. "Radial nerve tendon transfers and opponensplasty".
118. 7th Annual Hand Surgery Symposium, The Elbow: An Unforgiving Joint, Philadelphia, Pennsylvania, 2005. "Soft tissue coverage of the elbow." Jones NF, Jupiter JB, Levin LS, Stevanovic MV.
119. 7th Annual Hand Surgery Symposium, The Elbow: An Unforgiving Joint, Philadelphia, Pennsylvania, 2005. "Medial epicondylectomy."
120. 7th Annual Hand Surgery Symposium, The Elbow: An Unforgiving Joint, Philadelphia, Pennsylvania, 2005. Panel Chairman: "Problem nerve cases." Jones NF, Bednar JM, Koman LA, Zelouf DS.

121. American Society for Surgery of the Hand, San Antonio, Texas, 2005. Young Members Forum Invited Speaker: "Inspiration in hand surgery."
122. American Society of Plastic Surgeons, Chicago, Illinois, 2005. Invited Panelist, Debate: "Facial transplantation." Butler P, Jones NF, Walton R.
123. American Society of Plastic Surgeons, Chicago, Illinois, 2005. Panel member: "Hand fractures." Jabaley M, Jones NF, Levin S, Russell R, Zook E.
124. American Society of Plastic Surgeons, Chicago, Illinois, 2005. Instructional course: "The complete head and neck microsurgery course." Boyd JB, Jones NF, Zuker RM.
125. American Association for Hand Surgery, Tucson, Arizona, 2006. Panel member: "Challenging nerve problems." Jones NF, Mackinnon S, Sotereanos D, Terzis J, Van Beek A.
126. American Society for Reconstructive Microsurgery, Tucson, Arizona, 2006. Panel member: "What is the best educational model for training in reconstructive microsurgery?" Buncke GM, Jones NF, Langstein HN, Ruberg R, Sherman R.
127. American Society of Plastic Surgeons, San Francisco, California, 2006. Instructional course: "Complex reconstruction of the pediatric hand." Jones NF, Clarke HM, Stevanovic M.
128. American Society of Plastic Surgeons, San Francisco, California, 2006. Instructional course: "Tendon transfers for reconstruction of the wrist and hand." Jones NF, Benhaim P.
129. Invited Speaker, 7th World Symposium on Congenital Malformations of the Hand and Upper Limb, Sydney, Australia, 2007. "Is congenital constriction ring syndrome an intrinsic or extrinsic phenomenon?"
130. Invited Speaker, 10th Congress of the International Federation of Societies for Surgery of the Hand, Sydney, Australia, 2007. "Toe-to-hand transfers for congenital anomalies of the hand."
131. World Boxing Council, 2nd World Medical Congress, Cancun, Mexico, 2007. "Hand and wrist injuries in boxing."
132. Invited Speaker, World Society for Reconstructive Microsurgery, Athens, Greece,

“Microsurgical reconstruction of the pediatric hand”.

133. American Society for Surgery of the Hand, Seattle, Washington, 2007. Precourse: “What every hand surgeon should know about microsurgery.” “The five most common free flaps for upper extremity reconstruction.”
134. American Society for Surgery of the Hand, Seattle, Washington, 2007. Instructional Course: “The mutilated hand.” Hastings H, Jones NF, Jupiter J, Sabapathy R.
135. American Society for Surgery of the Hand, Seattle, Washington, 2007. Instructional Course: “Microsurgical reconstruction of the immature skeleton.” Innocenti M, Jones NF, Upton J, Vilkkii S.
136. American Society for Surgery of the Hand, Seattle, Washington, 2007. Panel member: “Dorsal hand injuries.” Jones NF, Levin S, Neumeister M, Scheker L.
137. American Society for Surgery of the Hand, Seattle, Washington, 2007. Moderator: Transplantation and tissue engineering free papers.
138. Scleroderma Foundation, Los Angeles, California, 2007. “Hand problems in scleroderma.”
139. American Society of Plastic Surgeons, Baltimore, Maryland, 2007. Instructional course: “The complete head and neck microsurgery course.” Boyd JB, Jones NF, Zuker RA.
140. American Association for Hand Surgery, Los Angeles, California, 2008. Instructional course: “Nerve and tendon transfers.” Jones NF, Mackinnon S, Novak C.
141. American Association for Hand Surgery, Los Angeles, California, 2008. Instructional course: “Thumb reconstruction.” Buntic R, Chang J, Jones NF.
142. American Society for Reconstructive Microsurgery, Los Angeles, California, 2008. Masters Series: “Microsurgical reconstruction of the pediatric thumb.”
143. American Society for Reconstructive Microsurgery, Los Angeles, California, 2008. Composite Tissue Transplantation Symposium: “Immunological risks of composite tissue transplantation.”
144. 10th Annual Hand Surgery Symposium, Philadelphia, Pennsylvania, 2008. “The elbow – an unforgiving joint.” Panel: “Soft tissue coverage of the elbow.” Copit SE, Jones NF,

Jupiter JB, Levin LS.

145. 10th Annual Hand Surgery Symposium, Philadelphia, Pennsylvania, 2008. "The elbow – an unforgiving joint." Panel: "Which ulnar nerve procedure works best?" Bednar JM, Jones NF, Lubahn JD, Reknant MS, Taras JS.
146. Faculty 1st American Conference on Reconstructive Transplant Surgery, Philadelphia, PA "Arm transplantation".
147. Scleroderma Foundation National Conference, Manhattan Beach, CA, 2008. "Hand problems in scleroderma."
148. Invited Faculty, Duke University 6th Annual Flap Course, Durham, NC, 2008. "First dorsal metacarpal artery flap", "Reverse metacarpal artery flap", "Cross finger flaps."
149. Guest Speaker, International Microsurgery Symposium, Busan, South Korea, 2008. "Microsurgical reconstruction of the hand in children."
150. Guest Speaker, First Combined Conference of the Chinese Society for Reconstructive Microsurgery and the American Society for Reconstructive Microsurgery, Shanghai, China, 2008. "Toe-to-hand transfers for reconstruction of congenital anomalies of the hand."
151. Panel member, American Association for Hand Surgery / American Society for Reconstructive Microsurgery, Maui, HI, 2009. "Current state of the art of toe transfers for finger and thumb reconstruction." Buncke G, Jones NF, Wei FC.
152. Panel member, American Society for Reconstructive Microsurgery / American Society for Peripheral Nerve, Maui, Hawaii, 2009. "Surgery for failed carpal tunnel and cubital tunnel syndromes." Jones NF, Mackinnon S, Russell R, Van Beek A.
153. Panel member, American Society for Reconstructive Transplantation, Maui, Hawaii, 2009. "New strategies for composite tissue transplantation." Jones NF, Levin S, Mathes D, Morrison WA.
154. American Society for Reconstructive Microsurgery, Maui, Hawaii, 2009. Presidential Address: "Into the future."
155. Faculty, American Academy of Orthopedic Surgeons Specialty Day, American Society for Surgery of the Hand and American Association of Hand Surgery, Las Vegas, Nevada, 2009. "In-situ decompression of the ulnar nerve."

156. World Society for Reconstructive Microsurgery, Okinawa, Japan, 2009. "Microsurgical reconstruction of congenital hand deformities with toe-to-hand transfers."
157. Invited Faculty, American Society of Plastic Surgeons Flap Course, University of Texas Southwestern, Dallas, Texas, 2009. "Microsurgical reconstruction of the upper extremity."
158. Invited Faculty, American Society of Plastic Surgeons Flap Course, University of Texas Southwestern, Dallas, Texas, 2009. "Toe-to-hand transfers."
159. Invited Faculty, American Society of Plastic Surgeons Flap Course, University of Texas Southwestern, Dallas, Texas, 2009. "Groin flap."
160. American Society for Surgery of the Hand, San Francisco, 2009. Chairman, Precourse: "The mutilated hand."
161. American Society for Surgery of the Hand, San Francisco, 2009. Precourse faculty: "The mutilated hand." "Decision-making in emergency and secondary soft tissue coverage of the mutilated hand."
162. American Society for Surgery of the Hand, San Francisco, 2009. Precourse faculty: "The 10 hardest problems in hand surgery." "The ischemic hand."
163. American Society of Plastic Surgeons, Seattle, Washington, 2009. Instructional course: "The complete head and neck microsurgery course." Gottlieb L, Jones NF, Zuker R.
164. American Society for Reconstructive Microsurgery, American Association for Hand Surgery and American Society for Peripheral Nerve, Boca Raton, Florida, 2010. "Functional muscle transfer for reconstruction of the upper extremity following nerve injury." Jones NF (Chair), Bishop A, Stevanovic M, Dumanian G.
165. Invited Faculty, 12th Annual Hand Surgery Symposium, Philadelphia, 2010. "Decision-making in complex hand trauma."
166. Invited Faculty, 12th Annual Hand Surgery Symposium, Philadelphia, 2010. "Secondary tendon surgery."
167. Invited Speaker, The National Moebius Syndrome Conference, Denver, Colorado, 2010. "Hand deformities in Moebius syndrome and Poland's syndrome."

168. Invited Faculty, American Society for Surgery of the Hand, Boston, Massachusetts, 2010. Precourse: A palette of microsurgical reconstruction of the hand. "Toe-to-hand transfers."
169. Invited Faculty, American Society for Surgery of the Hand, Boston, Massachusetts, 2010. Instructional Course: Thumb reconstruction. "Toe-to-thumb transfers in children."
170. Chairman, Instructional Course, American Society for Surgery of the Hand, Boston, Massachusetts, 2010. "Reconstruction of extensive defects of the hand and upper extremity."
171. Invited Faculty, American Society for Surgery of the Hand, Boston, Massachusetts, 2010. Reconstruction of extensive defects of the hand and upper extremity. "Groin flaps and radial forearm flaps."
172. Invited Faculty, Interactive Case Reviews, American Society for Surgery of the Hand, Boston, Massachusetts, 2010. "Microsurgical reconstruction of the upper extremity."
173. Invited Speaker, International Federation of Societies for Surgery of the Hand, Seoul, South Korea, 2010. "Current management of peripheral nerve and brachial plexus injuries."
174. Symposium Chairman, International Federation of Societies for Surgery of the Hand, Seoul, South Korea, 2010. "Thumb reconstruction." Jones NF, Sabapathy R, Smith P, Wei F-C, Woo S-H.
175. Invited Speaker, International Federation of Societies for Surgery of the Hand, Seoul, South Korea, 2010. "Toe-to-thumb transfers in children."
176. Invited Speaker, International Federation of Societies for Surgery of the Hand, Seoul, South Korea, 2010. "Radial forearm flap for reconstruction of the dorsum of the hand."
177. Invited Speaker, International Federation of Societies for Surgery of the Hand, Seoul, South Korea, 2010. "Toe-to-hand transfers for congenital hand differences."
178. Keynote Speaker, Korean Society of Microsurgery, Seoul, South Korea, 2010. "The contribution of microsurgery to hand and upper extremity surgery."
179. American Association for Hand Surgery, Cancun, Mexico, 2011. Instructional Course: "Congenital hand anomalies." Friedrich J, Jones NF, Kozin S, Light T.

180. American Association for Hand Surgery, Cancun, Mexico, 2011. Panel member: "The mangled hand." Gupta R, Jones NF, Jupiter J, Levin S, Pederson WC, Scheker L.
181. American Association for Hand Surgery, Cancun, Mexico, 2011. Instructional Course: "Compression neuropathies." Cobb T, Hughes T, Jones NF, Lubahn J.
182. American Society for Reconstructive Microsurgery, Cancun, Mexico, 2011. Masters' Series: "Pediatric microsurgery."
183. American Society for Reconstructive Microsurgery, Cancun, Mexico, 2011. "Memorial to WW Shaw MD."
184. American Society for Reconstructive Microsurgery, Cancun, Mexico, 2011. Panel member: "Best case Best save." Brandt K, Jones NF, Pederson WC.
185. Invited Faculty, 13th Annual Philadelphia Hand Course, Philadelphia, PA, 2011. "Radial tunnel syndrome - fact or fiction."
186. Invited Faculty, 13th Annual Philadelphia Hand Course, Philadelphia, PA, 2011. "Radial forearm flap."
187. 13th Annual Philadelphia Hand Course, Philadelphia, PA, 2011. Panel member: "Soft tissue coverage about the elbow." Jones NF, Levin LS, Stevanovic MV.
188. Chairman, Instructional Course: "Congenital anomalies of the hand - from simple to complex." American Society for Surgery of the Hand, Las Vegas, Nevada, 2011. "Toe transfers for congenital anomalies of the hand."
189. Chairman, Panel: "Thumb reconstruction in adults and children." American Society for Surgery of the Hand, Las Vegas, Nevada, 2011. "Toe transfers in children."
190. Invited Speaker, American Society for Surgery of the Hand, Las Vegas, Nevada, 2011. "Overview of microsurgery."
191. Invited Faculty, Instructional Course: "Innovative microsurgical reconstruction of the upper extremity." American Society for Surgery of the Hand, Las Vegas, Nevada, 2011. "Toe transfers for congenital anomalies of the hand."
192. Invited Speaker, Italian Society for Microsurgery, Palermo, Sicily, 2011. "Toe transfers for reconstruction of congenital hand anomalies." Jones NF.

193. Chang Chung University Medical College – Mayo Clinic Symposium in Reconstructive Surgery, Taipei, Taiwan, 2011. Commentator on Live Surgery: “Toe-to-hand transfer.” Jones NF.
194. Chang Gung University Medical College – Mayo Clinic Symposium in Reconstructive Surgery, Taipei, Taiwan, 2011. Panel Moderator: “Peripheral nerve and brachial plexus injuries.” Jones NF.
195. American Association for Hand Surgery, Las Vegas, Nevada, 2012. Panel Member: “The Mangled Hand.” “Decision making for the mangled hand.” Jones NF.
196. Ninth World Symposium on Congenital Malformations of the Hand, Dallas, Texas, 2012. “New documentation system for congenital absent digits.” Jones NF.
197. Ninth World Symposium on Congenital Malformations of the Hand, Dallas, Texas, 2012. “Toe transfers for congenital hand anomalies.” Jones NF.
198. European Federation of Societies of Reconstructive Microsurgery, Paris, France, 2012. “Toe-to-hand transfers for congenital anomalies of the hand.” Jones NF.
199. European Federation of Societies of Reconstructive Microsurgery, Paris, France, 2012. “Toe-to-thumb transfers in children.” Jones NF.
200. Faculty, First Cambodian Course in Microsurgery, Sihanouk Hospital Center for HOPE, Phnom Penh, Cambodia, 2012 “Replantation in the upper extremity.” Jones NF.
201. Faculty, First Cambodian Course in Microsurgery, Sihanouk Hospital Center for HOPE, Phnom Penh, Cambodia, 2012 “Soft tissue coverage of the upper extremity.” Jones NF.
202. Faculty, First Cambodian Course in Microsurgery, Sihanouk Hospital Center for HOPE, Phnom Penh, Cambodia, 2012 “Nerve repair.” Jones NF.
203. Faculty Precourse: “Congenital hand surgery.” American Society for Surgery of the Hand, Chicago, Illinois, 2012. “Bilhaut-Cloquet operation for thumb polydactyly.” Jones NF.
204. Faculty Precourse: “Congenital hand surgery.” American Society for Surgery of the Hand, Chicago, Illinois, 2012. “Pearls and when to do toe transfers for congenital hand anomalies.” Jones NF.

205. Panel member: "Thumb reconstruction." American Society for Surgery of the Hand, Chicago, Illinois, 2012. "Decision-making in post-traumatic thumb reconstruction." Jones NF.
206. Chairman Instructional Course: "Thumb reconstruction – state of the art." American Society for Surgery of the Hand, Chicago, Illinois, 2012. "Toe-to-thumb transfers in children." Jones NF.
207. International Federation of Societies for Surgery of the Hand, Delhi, India, 2013. Symposium Chairman, "Thumb reconstruction." Jones NF.
208. Invited speaker, International Federation of Societies for Surgery of the Hand, Delhi, India, 2013. "How to get the best from the radial forearm flap." Jones NF.
209. Invited speaker, International Federation of Societies for Surgery of the Hand, Delhi, India, 2013. "Toe-to-thumb transfers in children." Jones NF.
210. American Society for Surgery of the Hand, San Francisco, California, 2013. Invited Speaker, Young Members Forum. "Operations I no longer perform." Jones NF.
211. American Society for Surgery of the Hand, San Francisco, California, 2013. Faculty, Pre-Course: "The reconstructive hierarchy." "Radial forearm flap and its variations." Jones NF.
212. American Society for Surgery of the Hand, San Francisco, California, 2013. Co-Chairman Pre-Course: "Anatomical structures lurking in the vicinity of common operative procedures." "Dupuytren's contracture and trigger finger releases." Jones NF.
213. American Society for Surgery of the Hand, San Francisco, California, 2013. Chairman Instructional Course: "Thumb reconstruction in children and adults." "Toe-to-thumb transfers in children." Jones NF.
214. American Society for Surgery of the Hand, San Francisco, California, 2013. Faculty, Instructional Course: "Pollicization." "The indications for toe-to-thumb transfers rather than pollicization." Jones NF.
215. American Society of Plastic Surgeons, San Diego, California, 2013. Masters Series: "Toe-to-hand transfers." Jones NF.
216. Third European Symposium on Pediatric Hand Surgery, London, England, 2014. "Post-traumatic reconstruction of thumb amputations in children." Jones NF.

217. Third European Symposium on Pediatric Hand Surgery, London, England, 2014.
“Indications for reconstruction of congenital hand anomalies by toe-to-hand transfers.”
Jones NF.
218. European Federation of Microsurgery Societies, Barcelona, Spain, 2014.
“Thumb amputations in children.” Jones NF.
219. European Federation of Microsurgery Societies, Barcelona, Spain, 2014.
“Recent advances and surgical techniques of nerve grafting.” Jones NF.
220. European Federation of Microsurgery Societies, Barcelona, Spain, 2014.
“Indications for reconstruction of congenital hand anomalies by toe-to-thumb transfers.”
Jones NF.
221. American Society for Surgery of the Hand, Boston, MA, 2014.
Faculty, Instructional Course: “Flaps all hand surgeons should know.”
Radial forearm flap, Posterior interosseous flap, Lateral arm flap. Jones NF, Levin S.
222. American Society for Surgery of the Hand, Boston, MA, 2014.
Panel Member: “Home Runs and Albatrosses.” Stern P, Jones NF, Levin S, Osterman L,
Shin A. **(Winner, Best Case)**
223. American Society for Surgery of the Hand, Boston, MA, 2014.
Faculty, Instructional Course: “Vascularized bone grafts.”
Free osteocutaneous flap for composite bone and soft tissue defects of the upper extremity.
Jones NF.
224. American Society for Surgery of the Hand, Boston, MA, 2014.
Faculty, Interactive Case Presentations: “Vascular problems of the upper extremity.”
Jones NF, Pederson W.
225. Singapore Society for Hand Surgery and American Society for Surgery of the Hand,
Singapore, 2015. “Challenges in pediatric toe-to-hand transfers.” Jones NF.
226. World Society for Reconstructive Microsurgery, Mumbai, India, 2015. “Evolving
indications for microsurgical toe-to-hand transfers in congenital hand surgery.” Jones NF.
227. World Society for Reconstructive Microsurgery, Mumbai, India, 2015.
“Microsurgical reconstruction of the hand and upper extremity in children.” Jones NF.
228. American Society for Surgery of the Hand, Seattle, Washington, 2015.

Faculty, Precourse: “Flaps that every hand surgeon should know.” “Radial forearm and lateral arm flaps.” Jones NF, Levin S.

229. American Society for Surgery of the Hand, Seattle, Washington, 2015. Symposium Chair: “The mangled hand.” Jones NF, Levin S, Pinal P, Sabapathy R, Stevanovic M.
230. Cambodian Society for Surgery, Phnom Penh, Cambodia, 2015. “The mangled hand – strategies for evaluation and management.” Jones NF.
231. Cambodian Society for Surgery, Phnom Penh, Cambodia, 2015. “Soft tissue coverage of hand and upper limb injuries.” Jones NF.
232. European Masters in Microsurgery of the Upper Extremity, Florence, Italy, 2016. “Toe-to-hand transfers – anatomy and surgical dissection.” Jones NF.
233. European Masters in Microsurgery of the Upper Extremity, Florence, Italy, 2016. “Toe-to-hand transfers in adults and children for post-traumatic reconstruction and congenital anomalies.” Jones NF.
234. European Masters in Microsurgery of the Upper Extremity, Florence, Italy, 2016. “Nerve grafting – indications and surgical techniques.” Jones NF.
235. European Masters in Microsurgery of the Upper Extremity, Florence, Italy, 2016. “Congenital hand anomalies.” Jones NF.
236. European Masters in Microsurgery of the Upper Extremity, Florence, Italy, 2016. Commentary on live surgery – “Medial femoral condyle vascularized bone graft.” Jones NF.
237. European Masters in Microsurgery of the Upper Extremity, Florence, Italy, 2016. Commentary on live surgery – “Vascularized fibular bone graft.” Jones NF.
238. Australian Hand Surgery Society and American Society for Surgery of the Hand, Sydney, Australia, 2016. “Microsurgical reconstruction of thumb hypoplasia.” Jones NF.

240. American Society for Surgery of the Hand, Austin, Texas, 2016. Instructional Course: “Post-traumatic thumb reconstruction.” “Toe-to-thumb transfers in children.” Jones NF.

241. American Society for Surgery of the Hand, Austin, Texas, 2016. Symposium: Vascularized bone grafting. Panel member: “Fibular osteocutaneous flap for composite bone and soft tissue defects of the upper extremity.” Jones NF.
242. International Federation of Societies for Surgery of the Hand, Buenos Aires, Argentina, 2016. Symposium: Best free flaps for upper extremity reconstruction. Panel Member: “Major hand trauma in children – strategies for post-traumatic reconstruction.” Jones NF.
243. International Federation of Societies for Surgery of the Hand, Buenos Aires, Argentina, 2016. Symposium: Congenital Hand. Panel Member: “Late complications after toe-to-hand transfers for congenital hand anomalies.” Jones NF.
244. Chinese Orthopedic Association, Beijing, China, 2016. “Soft tissue and bone reconstruction after tumor resection in the upper extremity.” Jones NF.
245. Chinese Orthopedic Association, Beijing, China, 2016. “Toe-to-hand transfers in children for trauma and congenital anomalies.” Jones NF.
246. Faculty, University of Pennsylvania Flap Course for Residents and Hand Fellows, Philadelphia, PA 2016. Jones NF.

ENDOWED VISITING PROFESSORSHIPS

1. Richard J. Smith, M.D. Professorship, Department of Orthopaedic Surgery, Massachusetts General Hospital, Boston, Massachusetts, 1998. “Microsurgical reconstruction of the upper extremity”.
2. Hoyle-Campbell Visiting Professor, University of Toronto, Toronto, Canada, 2000. “Microsurgical reconstruction of extensive and complex defects of the head and neck”.
3. Hoyle-Campbell Visiting Professor, University of Toronto, Toronto, Canada, 2000. “Tendon transfers for reconstruction of the wrist and hand after trauma”.
4. Royal College of Surgeons of Canada Visiting Professor, University of Manitoba, Winnipeg, Canada, 2004. “Microsurgical reconstruction of extensive and complex defects of the head and neck”.

5. Royal College of Surgeons of Canada Visiting Professor, University of Manitoba, Winnipeg, Canada, 2004. "Tendon transfers for reconstruction of the hand after trauma."
6. Royal College of Surgeons of Canada Visiting Professor, University of Manitoba, Winnipeg, Canada, 2004. "Vascular problems of the hand."
7. Royal College of Surgeons of Canada Visiting Professor, University of Manitoba, Winnipeg, Canada, 2004. "Congenital anomalies of the hand".
8. Kazanjian Visiting Professor, Massachusetts General Hospital, Boston, 2006. "The contribution of microsurgery to hand surgery."
9. Kazanjian Visiting Professor, Massachusetts General Hospital, Boston, 2006. "Tendon transfers for post-traumatic reconstruction of the hand."
10. Barwick Visiting Professor, Department of Surgery, Duke University, North Carolina, 2007. "Microsurgeons remain true general surgeons."
11. Courtmanche Visiting Professor, University of British Columbia, Vancouver, Canada, 2009. "Microsurgical reconstruction of extensive and complex defects of the head and neck."
12. Courtmanche Visiting Professor, University of British Columbia, Vancouver, Canada 2009. "Tendon transfers for reconstruction of the wrist and hand after trauma."
13. Courtmanche Visiting Professor, University of British Columbia, Vancouver, Canada, 2009. "The contribution of microsurgery to hand surgery."
14. Robert Ivy Visiting Professor, University of Pennsylvania, Philadelphia, Pennsylvania, 2010. "The contribution of microsurgery to hand surgery."
15. Robert Ivy Visiting Professor, University of Pennsylvania, Philadelphia, Pennsylvania, 2010. "Reconstruction of the traumatic paralyzed hand with tendon transfers."
16. Lawrence H. Schneider Visiting Professor, Philadelphia Hand Foundation and Thomas Jefferson Hospital, Philadelphia, Pennsylvania, 2012. "The contribution of microsurgery to hand surgery."
17. Joseph H. Boyes Memorial Lectureship, Department of Orthopedic Surgery, Keck School of Medicine, University of Southern California, Los Angeles, 2013. "The contribution of microsurgery to hand and upper extremity surgery."
18. Reed Dingman Visiting Professor, University of Michigan, 2013.

“The contribution of microsurgery to hand and upper extremity surgery.” Jones NF.

19. Reed Dingman Visiting Professor, University of Michigan, 2013.
“Tendon transfers for reconstruction of the wrist and hand.” Jones NF.

VISITING PROFESSORSHIPS

1. Visiting Professor, Department of Surgery, Tulane University, New Orleans, Louisiana, 1985.
2. Visiting Professor, Hand Center of Western New York, Buffalo, New York, 1993.
3. Visiting Professor, University of California, Irvine, 1993. "Tendon transfers for reconstruction of the hand".
4. Visiting Professor, University of California, Irvine, 1993. "Microsurgical reconstruction of the head and neck".
5. Visiting Professor, University of Southern California, Los Angeles, 1994. "Tendon transfers for reconstruction of the hand".
6. Visiting Professor, University of Southern California, Los Angeles, 1994. "Rheumatoid arthritis of the wrist and hand".

PROFESSIONAL ACTIVITIES

PRESENTATIONS AT INTERNATIONAL, NATIONAL OR REGIONAL MEETINGS

1. British Association of Plastic Surgeons, Bradford, England, July 1983. "Reconstruction of the zygoma, temporomandibular joint and mandible using a compound pectoralis major osteo-muscular flap." Jones NF, Sommerlad BC.
2. American Association for Hand Surgery, Acapulco, Mexico, November 1984. "The use of interposition vein grafts to improve operative accessibility in thumb and multiple digit replantations." Jones NF, Jupiter JB.

3. Robert H. Ivy Society of Plastic and Reconstructive Surgeons, Hershey, Pennsylvania, March 1985. "The use of free jejunal segments for reconstruction of cervical esophageal defects." Goldstein SA, Swartz WM, Jones NF.
4. Robert H. Ivy Society of Plastic and Reconstructive Surgeons, Hershey, Pennsylvania, March 1985. "The versatile rectus abdominis flap". Shestak KC, Hurwitz DJ, Futrell JW, Jones NF, Rasmastry SS.
5. American Association of Plastic Surgeons, San Diego, California, April 1985. "The osteocutaneous scapular flap for mandibular and maxillary reconstruction." Swartz WM, Banis JC, Newton ED, Ramasastry SS, Jones NF, Acland R.
6. Alabama Orthopedic Society, Point Clear, Alabama, May 1985. "Brachial artery thrombosis following an open posterior elbow dislocation." Silberblatt EA, Jones NF, Gould JS.
7. American College of Surgeons, Western Pennsylvania Chapter, Pittsburgh, Pennsylvania, May 1985. "Reconstruction of the cervical esophagus with free jejunal transfer." Jones NF.
8. Ohio Valley Society for Plastic and Reconstructive Surgery, Warren, Ohio, June 1985. "Reconstruction of the hypopharynx and cervical esophagus with free jejunal transfers." Goldstein SA, Swartz WM, Jones NF.
9. Ohio Valley Society for Plastic and Reconstructive Surgery, Warren, Ohio, June 1985. "The versatile rectus abdominis flap". Shestak KC, Hurwitz DJ, Futrell JW, Jones NF, Ramasastry SS.
10. International Society for Reconstructive Microsurgery, 8th Symposium, Paris, France, July 1985. "Free scapular osteocutaneous flap for composite reconstruction of the maxilla and mandible." Swartz WM, Banis JC, Newton ED, Jones NF, Ramasastry SS.
11. International Society for Reconstructive Microsurgery, 8th Symposium, Paris, France, July 1985. "Internal oblique - iliac crest composite microvascular free flap." Ramasastry SS, Swartz WM, Jones NF, Newton ED, Granick MS, Futrell JW.
12. Northeastern Society of Plastic Surgeons, Boston, Massachusetts, September 1985. "A comparison of osteocutaneous donor sites for microvascular reconstruction of the jaw." Swartz WM, Banis JC, Newton ED, Jones NF, Ramasastry SS.
13. Northeastern Society of Plastic Surgeons, Boston, Massachusetts, September 1985. "Free rectus abdominis muscle flap reconstruction following resection of cranial base tumors." Jones NF, Swartz WM.

14. Congress of Neurological Surgeons, Honolulu, Hawaii, October 1985. "Radical excision of large middle and posterior cranial base tumors and reconstruction using vascularized muscle flaps." Sekhar LN, Schramm VL, Jones NF.
15. American Association for Hand Surgery, Kansas City, Missouri, October 1985. Instructional course: "Microsurgical reconstruction of the upper extremity." Jones NF.
16. American Society of Plastic and Reconstructive Surgeons, Kansas City, Missouri, October 1985. "Free rectus abdominis muscle flap reconstruction following radical resection of cranial base tumors." Jones NF, Swartz WM, Sekhar LN, Schramm VL.
17. American Society of Plastic and Reconstructive Surgeons, Kansas City, Missouri, October 1985. "A comparison of osteocutaneous donor sites for microvascular reconstruction of the jaws." Swartz WM, Banis JC, Newton ED, Jones NF, Ramasastry SS, Sotereanos GC.
18. American Society of Plastic and Reconstructive Surgeons, Kansas City, Missouri, October 1985. "Internal oblique-iliac crest composite microvascular free flap." Ramasastry SS, Swartz WM, Newton ED, Granick MS, Jones NF, Futrell JW.
19. Society of Clinical Surgery, Pittsburgh, Pennsylvania, November 1985. "Update on microsurgical free tissue transfers." Jones NF.
20. American Society for Reconstructive Microsurgery, New Orleans, Louisiana, January 1986. "Direct monitoring of microvascular anastomoses: Experimental and clinical experience in 40 patients." Swartz WM, Jones NF, Klein A, Cherup LL.
21. American Society for Reconstructive Microsurgery, New Orleans, Louisiana, January 1986. "Free rectus abdominis muscle flap reconstruction of the skull base following resection of middle and posterior cranial base tumors." Jones NF, Sekhar LN, Schramm VL, Swartz WM.
22. American Society for Reconstructive Microsurgery, New Orleans, Louisiana, January 1986. "Segmental bone defects: The role of vascularized bone in hostile environments." Ramasastry SS, Jones NF, Swartz WM.
23. American Society for Surgery of the Hand, New Orleans, Louisiana, January 1986. "Surgical intervention for scleroderma of the hand." Jones NF, Imbriglia JE.
24. American Academy of Orthopedic Surgeons, New Orleans, Louisiana, January 1986. "Free vascularized bone in the management of osseous defects in the upper and lower extremities." Swartz WM, Mears DC, Jones NF, Ramasastry SS.

25. Robert H. Ivy Society of Plastic and Reconstructive Surgeons, Hershey, Pennsylvania, March 1986. "The use of vascularized skeletal muscle transplantation as a monitor of cardiac transplant rejection." Cherup LL, Wei LM, Jones NF, Griffith BP.
26. Robert H. Ivy Society of Plastic and Reconstructive Surgeons, Hershey, Pennsylvania, March 1986. "The knee recovered." Sank AC, Jones NF, Ramasastry SS, Swartz WM.
27. Robert H. Ivy Society of Plastic and Reconstructive Surgeons, Hershey, Pennsylvania, March 1986. "Gigantic defects of the head and scalp: refinements in "heroic" salvage reconstructions." Hardesty RA, Ramasastry SS, Swartz WM, Jones NF.
(awarded **2nd Prize Clinical Category**).
28. Ohio Valley Society for Plastic and Reconstructive Surgery, Cincinnati, Ohio, March 1986. "The knee recovered." Sank AC, Jones NF, Ramasastry SS, Swartz WM.
29. Ohio Valley Society for Plastic and Reconstructive Surgery, Cincinnati, Ohio, March 1986. "Gigantic defects of the head and scalp: refinements in "heroic" salvage reconstructions." Hardesty RA, Ramasastry SS, Swartz WM, Jones NF.

458. Invited Faculty, American Society of Plastic Surgeons Flap Course, University of Texas Southwestern, Dallas, Texas, July 2009. "Toe-to-hand transfers." Jones NF.
459. Invited Faculty, American Society of Plastic Surgeons Flap Course, University of Texas Southwestern, Dallas, Texas, July 2009. "Groin Flap." Jones NF.

460. Godrej Oration, Indian Society for Surgery of the Hand, Chennai, India, August 2009. "Toe-to-hand transfers for reconstruction of congenital anomalies of the hand." Jones NF.
461. Keynote Speaker, Indian Association of Plastic Surgeons, Chennai, India, August 2009. "Aesthetic improvements in microsurgical reconstruction of the head and neck." Jones NF.
462. Keynote Speaker, Indian Association of Plastic Surgeons, Chennai, India, August 2009. "Microsurgical reconstruction of the upper extremity." Jones NF.
463. American Society for Surgery of the Hand, San Francisco, September 2009. Chairman, Precourse: "The mutilated hand." Jones NF.
464. American Society for Surgery of the Hand, San Francisco, September 2009. Precourse faculty: "The mutilated hand." "Decision-making in emergency and secondary soft tissue coverage of the mutilated hand." Jones NF.
465. American Society for Surgery of the Hand, San Francisco, September 2009. Precourse faculty: "The 10 hardest problems in hand surgery." "The ischemic hand." Jones NF.
466. American Society for Surgery of the Hand, San Francisco, September 2009. "Microsurgical reconstruction of congenital missing digits with toe-to-hand transfers." Jones NF, Gupta R, Harness NG, Hansen SL.
467. Visiting Professor, University of Southern California, Los Angeles, California, Department of Orthopedic Surgery, October 2009. "Carpal tunnel syndrome and complications." Jones NF.
468. American Society of Plastic Surgeons, Seattle, Washington, October 2009. Instructional course: "The complete head and neck microsurgery course." Gottlieb L, Jones NF, Zuker R.
469. Korean Society of Plastic Surgeons, Seoul, South Korea, November 2009. "Secondary carpal tunnel surgery." Eo SR, Ahn HC, Jones NF.
(Best Paper Award)
470. American Society for Reconstructive Microsurgery, American Association for Hand Surgery and American Society for Peripheral Nerve, Boca Raton, Florida, January 2010. "Functional muscle transfer for reconstruction of the upper extremity following nerve injury." Jones NF (Chair), Bishop A, Stevanovic M, Dumanian G.
471. American Society for Reconstructive Microsurgery, Boca Raton, Florida, January 2010. Symposium: "Best case, best save." Jones NF, Levin S, Pederson W, Sherman R.

472. Invited Faculty, 12th Annual Hand Surgery Symposium, Philadelphia, Pennsylvania, March 2010. "Decision-making in complex hand trauma." Bednar J, Hanel D, Jones NF, Levin S.
473. Invited Faculty, 12th Annual Hand Surgery Symposium, Philadelphia, Pennsylvania, March 2010. "Secondary tendon surgery." Jones NF, Meals R.
474. Visiting Professor, The Hand Center of San Antonio and the Department of Orthopedic Surgery, University of Texas San Antonio, Texas, May 2010. "The contribution of microsurgery to hand and upper extremity surgery." Jones NF.
475. Visiting Professor, The Hand Center of San Antonio and the Department of Orthopedic Surgery, University of Texas San Antonio, Texas, May 2010. "Tendon transfers for post-traumatic reconstruction of the wrist and hand." Jones NF.
476. Invited Speaker, The National Moebius Syndrome Conference, Denver, Colorado, July 2010. "Hand deformities in Moebius syndrome and Poland's syndrome." Jones NF.
477. Invited Speaker, Conference on Surgery and the Law, Liverpool, England, September 2010. "Legal scenarios in hand surgery and upper extremity surgery." Jones NF.
478. Invited Speaker, Conference on Surgery and the Law, Liverpool, England, September 2010. "What is microsurgery." Jones NF.
479. Invited Faculty, American Society for Surgery of the Hand, Boston, Massachusetts, October 2010. Precourse: A palette of microsurgical reconstruction of the hand. "Toe-to-hand transfers." Jones NF.
480. Invited Faculty, American Society for Surgery of the Hand, Boston, Massachusetts, October 2010. Instructional Course: Thumb reconstruction. "Toe-to-thumb transfers in children." Jones NF.
481. Chairman, Instructional Course, American Society for Surgery of the Hand, Boston, Massachusetts, October 2010. "Reconstruction of extensive defects of the hand and upper extremity." Jones NF.
482. Invited Faculty, American Society for Surgery of the Hand, Boston, Massachusetts, October 2010. Reconstruction of extensive defects of the hand and upper extremity. "Groin flaps and radial forearm flaps." Jones NF.
483. Invited Faculty, Interactive Case Reviews, American Society for Surgery of the Hand, Boston, Massachusetts, October 2010. "Microsurgical reconstruction of the upper extremity." Jones NF.

484. Visiting Professor, Hong Kong Society of Plastic and Reconstructive Surgeons, Hong Kong, China, October 2010. "Soft tissue coverage of the hand and upper extremity." Jones NF.
485. Invited Speaker, International Federation of Societies for Surgery of the Hand, Seoul, South Korea, November 2010. "Current management of peripheral nerve and brachial plexus injuries." Jones NF.
486. Symposium Chairman, International Federation of Societies for Surgery of the Hand, Seoul, South Korea, November 2010. "Thumb reconstruction." Jones NF, Sabapathy R, Smith P, Wei F-C, Woo S-H.
487. Invited Speaker, International Federation of Societies for Surgery of the Hand, Seoul, South Korea, November 2010. "Toe-to-thumb transfers in children." Jones NF.
488. Invited Speaker, International Federation of Societies for Surgery of the Hand, Seoul, South Korea, November 2010. "Radial forearm flap for reconstruction of the dorsum of the hand." Jones NF.
489. Invited Speaker, International Federation of Societies for Surgery of the Hand, Seoul, South Korea, November 2010. "Toe-to-hand transfers for congenital hand differences." Jones NF.
490. Keynote Speaker, Korean Society of Microsurgery, Seoul, South Korea, November 2010. "The contribution of microsurgery to hand and upper extremity surgery." Jones NF.
491. Visiting Professor, 11th annual Robert Ivy Lecture, University of Pennsylvania, Philadelphia, Pennsylvania, December 2010. "The contribution of microsurgery to hand surgery." Jones NF.
492. Visiting Professor, 11th annual Robert Ivy Lecture, University of Pennsylvania, Philadelphia, Pennsylvania, December 2010. "Reconstruction of the traumatic paralyzed hand with tendon transfers." Jones NF.
493. American Association for Hand Surgery, Cancun, Mexico, January 2011. Instructional Course: "Congenital hand anomalies." Friedrich J, Jones NF, Kozin S, Light T.
494. American Association for Hand Surgery, Cancun, Mexico, January 2011. Panel member: "The mangled hand." Gupta R, Jones NF, Jupiter J, Levin S, Pederson WC, Scheker L.
495. American Association for Hand Surgery, Cancun, Mexico, January 2011. Instructional Course: "Compression neuropathies." Cobb T, Hughes T, Jones NF, Lubahn J.

496. American Society for Reconstructive Microsurgery, Cancun, Mexico, January 2011. Masters Series: "Pediatric microsurgery." Jones NF.
497. American Society for Reconstructive Microsurgery, Cancun, Mexico, January 2011. "Memorial to WW Shaw MD." Jones NF.
498. American Society for Reconstructive Microsurgery, Cancun, Mexico, January 2011. Panel member: "Best case Best save." Brandt K, Jones NF, Pederson WC.
499. Invited Faculty, 13th Annual Philadelphia Hand Course, Philadelphia, PA, March 2011. "Radial tunnel syndrome - fact or fiction." Jones NF.
500. Invited Faculty, 13th Annual Philadelphia Hand Course, Philadelphia, PA, March 2011. "Radial forearm flap." Jones NF.
501. 13th Annual Philadelphia Hand Course, Philadelphia, PA, March 2011. Panel member "Soft tissue coverage about the elbow." Jones NF, Levin LS, Stevanovic MV.
502. American Society for Surgery of the Hand, Las Vegas, Nevada, September 2011. Chairman, Instructional Course: "Congenital anomalies of the hand - from simple to complex." "Toe transfers for congenital anomalies of the hand." Jones NF.
503. American Society for Surgery of the Hand, Las Vegas, Nevada, September 2011. Chairman, Panel: "Thumb reconstruction in adults and children." "Toe transfers in children." Jones NF.
504. American Society for Surgery of the Hand, Las Vegas, Nevada, September 2011. Invited Speaker, "Overview of microsurgery." Jones NF.
505. American Society for Surgery of the Hand, Las Vegas, Nevada, September 2011. Invited Faculty, Instructional Course: "Innovative microsurgical reconstruction of the upper extremity." "Toe transfers for congenital anomalies of the hand." Jones NF.
506. Keynote Speaker, Chang Gung University Medical College – Mayo Clinic Symposium in Reconstructive Surgery, Taipei, Taiwan, October 2011. "Pollicization." Jones NF.
507. Keynote Speaker, Chang Gung University Medical College – Mayo Clinic Symposium in Reconstructive Surgery, Taipei, Taiwan, October 2011. "Toe transfers for congenital anomalies of the hand." Jones NF.

508. Keynote Speaker, Chang Gung University Medical College – Mayo Clinic Symposium in Reconstructive Surgery, Taipei, Taiwan, October 2011. “Indications and current surgical techniques of nerve grafting.” Jones NF.
509. Keynote Speaker, Chang Gung University Medical College – Mayo Clinic Symposium in Reconstructive Surgery, Taipei, Taiwan, October 2011. “Compression neuropathies.” Jones NF.
510. Keynote Speaker, Chang Gung University Medical College – Mayo Clinic Symposium in Reconstructive Surgery, Taipei, Taiwan, October 2011. “Reconstruction of through and through defects of the oral cavity and mandible.” Jones NF.
511. Chang Chung University Medical College – Mayo Clinic Symposium in Reconstructive Surgery, Taipei, Taiwan, October 2011. Commentator on Live Surgery: “Toe-to-hand transfer.” Jones NF.
512. Chang Gung University Medical College – Mayo Clinic Symposium in Reconstructive Surgery, Taipei, Taiwan, October 2011. Panel Moderator: “Peripheral nerve and brachial plexus injuries.” Jones NF.
513. Invited Speaker, Italian Society for Microsurgery, Palermo, Sicily, October 2011. “Toe transfers for reconstruction of congenital hand anomalies.” Jones NF.
514. Keynote Speaker, Japanese Society for Reconstructive Microsurgery, Niigata, Japan, November 2011. “The contribution of microsurgery to hand and upper extremity surgery.” Jones NF.
515. Keynote Speaker, Japanese Society for Reconstructive Microsurgery, Niigata, Japan, November 2011. “Nerve repair and reconstruction of nerve defects – state of the art.” Jones NF.
516. Keynote Speaker, Japanese Society for Reconstructive Microsurgery, Niigata, Japan, November 2011. “Microsurgical reconstruction of extensive and complex defects of the head and neck.” Jones NF.
517. American Association of Hand Surgery, Las Vegas, Nevada January 2012. Panel Member: “The Mangled Hand.” “Decision making for the mangled hand.” Jones NF.
518. Ninth World Symposium on Congenital Malformations of the Hand, Dallas, Texas, March 2012. “New documentation system for congenital absent digits.” Jones NF, Kaplan J.

519. Ninth World Symposium on Congenital Malformations of the Hand, Dallas, Texas, March 2012. "Toe transfers for congenital hand anomalies." Jones NF.
520. European Federation of Societies of Reconstructive Microsurgery, Paris, France, April 2012. "Toe-to-hand transfers for congenital anomalies of the hand." Jones NF.
521. European Federation of Societies of Reconstructive Microsurgery, Paris, France, April 2012. "Toe-to-thumb transfers in children." Jones NF.
522. 14th annual Lawrence H. Schneider Lecture, Philadelphia Hand Foundation and Thomas Jefferson Hospital, Philadelphia, PA, June 2012.
"The contribution of microsurgery to hand surgery." Jones NF.
523. Visiting Professor. TriCity Hand Symposium, Philadelphia, PA, June 2012.
"Toe transfers in children." Jones NF.
524. Visiting Professor. TriCity Hand Symposium, Philadelphia, PA, June 2012.
"Failed carpal tunnel release." Jones NF.
525. Faculty, First Cambodian Course in Microsurgery,
Sihanouk Hospital Center for HOPE, Phnom Penh, Cambodia, August 2012
"Replantation in the upper extremity." Jones NF.
526. Faculty, First Cambodian Course in Microsurgery,
Sihanouk Hospital Center for HOPE, Phnom Penh, Cambodia, August 2012
"Soft tissue coverage of the upper extremity." Jones NF.
527. Faculty, First Cambodian Course in Microsurgery,
Sihanouk Hospital Center for HOPE, Phnom Penh, Cambodia, August 2012
"Nerve repair." Jones NF.
528. Faculty Precourse: "Congenital hand surgery." American Society for Surgery of the Hand,
Chicago, Illinois. September 2012. "Bilhaut-Cloquet operation for thumb polydactyly."
Jones NF.
529. Faculty Precourse: "Congenital hand surgery." American Society for Surgery of the Hand,
Chicago, Illinois. September 2012. "Pearls and when to do toe transfers for congenital hand
anomalies." Jones NF.
530. Panel member: "Thumb reconstruction." American Society for Surgery of the Hand,
Chicago, Illinois. September 2012. "Decision-making in post-traumatic thumb
reconstruction." Jones NF.

531. Chairman Instructional Course: "Thumb reconstruction – state of the art." American Society for Surgery of the Hand, Chicago, Illinois. September 2012. "Toe-to-thumb transfers in children." Jones NF.
532. American Society for Surgery of the Hand, Chicago Illinois. September 2012. "Outcome measures after toe-to-hand transfers in children." Kaplan J, Jones NF.
(awarded **1st Prize Research Category**).
533. Keynote Speaker, Swiss Society for Surgery of the Hand, Thun, Switzerland, November 2012. "Indications and current surgical techniques of nerve grafting." Jones NF.
534. Keynote Speaker, Swiss Society for Surgery of the Hand, Thun, Switzerland, November 2012. "Tendon transfers for radial nerve palsy." Jones NF.
535. Keynote Speaker, Swiss Society for Surgery of the Hand, Thun, Switzerland, November 2012. "Functional outcomes after toe transfers for reconstruction of congenital hand anomalies." Jones NF.
536. VuMedi Event, San Francisco, CA, November 2012. "Carpal tunnel release." Jones NF, Ladd A, Weiss AP
537. Keynote Speaker, Chinese Microsurgery Society, Shanghai, China, January 2013. "The contribution of microsurgery to hand surgery and upper extremity surgery." Jones NF.
538. Keynote Speaker, Chinese Microsurgery Society, Shanghai, China, January 2013. "Toe transfers for reconstruction of congenital hand anomalies." Jones NF.
539. Visiting Professor, First Affiliated Hospital of Sun Yat-Sen University, Guangzhou, China, January 2013. "Pollicization and toe transfers for reconstruction of the congenital absent thumb." Jones NF.
540. Pediatric Hand Surgery Group Meeting, Shriners Hospital, Sacramento, CA, February 2013. "Thumb amputations in children." Jones NF.
541. Pediatric Hand Surgery Group Meeting, Shriners Hospital, Sacramento, CA, February 2013. "What are the indications for microsurgical toe transfers for reconstruction of congenital absent thumbs?" Jones NF.
542. American Society for Surgery of the Hand, Visiting Professor, Loma Linda University, February 2013. "Decision making in thumb reconstruction." Jones NF.
543. American Society for Surgery of the Hand, Visiting Professor, Loma Linda University,

- February 2013. "Indications and current surgical techniques of nerve grafting." Jones NF.
544. American Society for Surgery of the Hand, Visiting Professor, Loma Linda University, February 2013. "The contribution of microsurgery to hand and upper extremity surgery." Jones NF.
 545. American Society for Surgery of the Hand, Visiting Professor, Loma Linda University, February 2013. "Tendon transfers for post-traumatic reconstruction of the wrist and hand." Jones NF.
 546. Invited speaker, International Federation of Societies for Surgery of the Hand, Delhi, India, March 2013. "How to get the best from the radial forearm flap." Jones NF.
 547. Invited speaker, International Federation of Societies for Surgery of the Hand, Delhi, India, March 2013. Toe-to-thumb transfers in children." Jones NF.
 548. Joseph H. Boyes Memorial Lectureship, Department of Orthopedic Surgery, Keck School of Medicine, University of Southern California, Los Angeles, March 2013. "The contribution of microsurgery to hand and upper extremity surgery." Jones NF.
 549. Visiting Professor, Department of Orthopedic Surgery, Keck School of Medicine, University of Southern California, Los Angeles, March 2013. "The art and science of tendon transfers for reconstruction of the wrist and hand." Jones NF.
 550. American Society for Surgery of the Hand Visiting Professor, University of North Carolina, Chapel Hill, NC, April 2013. "Decision making in thumb reconstruction." Jones NF.
 551. American Society for Surgery of the Hand Visiting Professor, University of North Carolina, Chapel Hill, NC, April 2013. "Congenital anomalies of the hand." Jones NF.
 552. American Society for Surgery of the Hand Visiting Professor, University of North Carolina, Chapel Hill, NC, April 2013. "Soft tissue coverage of the hand and upper extremity." Jones NF.
 553. American Society for Surgery of the Hand Visiting Professor, University of Louisville, Louisville, KY, April 2013. "The contribution of microsurgery to hand and upper extremity surgery." Jones NF.
 554. American Society for Surgery of the Hand Visiting Professor, University of Louisville, Louisville, KY, April 2013. "Tendon transfers for reconstruction of the wrist and hand." Jones NF.

555. American Society for Surgery of the Hand Visiting Professor, Baylor College of Medicine, Houston, Texas, April 2013. Department of Orthopedic Surgery and Division of Plastic and Reconstructive Surgery. "The contribution of microsurgery to hand and upper extremity surgery." Jones NF.
556. American Society for Surgery of the Hand Visiting Professor, Baylor College of Medicine, Houston, Texas, April 2013. Department of Orthopedic Surgery and Division of Plastic and Reconstructive Surgery. "Thumb reconstruction in children and adults." Jones NF.
557. Keynote speaker, British Columbia Hand Society, Harrison Springs, British Columbia, Canada, May 2013. "Radial tunnel syndrome - fact or fiction?" Jones NF.
558. Keynote speaker, British Columbia Hand Society, Harrison Springs, British Columbia, Canada, May 2013. "Failed carpal tunnel release." Jones NF.
559. Keynote speaker, British Columbia Hand Society, Harrison Springs, British Columbia, Canada, May 2013. "Tendon transfers for post-traumatic reconstruction of the wrist and hand." Jones NF.
560. Keynote speaker, British Columbia Hand Society, Harrison Springs, British Columbia, Canada, May 2013. "Thumb reconstruction in adults and children." Jones NF.
561. Keynote speaker, British Columbia Hand Society, Harrison Springs, British Columbia, Canada, May 2013. "Vascular problems in the hand." Jones NF.
562. Reed O. Dingman Visiting Professor, University of Michigan, June 2013. "The contribution of microsurgery to hand and upper extremity surgery." Jones NF.
563. Reed O. Dingman Visiting Professor, University of Michigan, June 2013. "Tendon transfers for reconstruction of the wrist and hand." Jones NF.
564. Facultie du Medecin, University of Phnom Penh, Cambodia, July 2013. "Soft tissue coverage of the hand and upper extremity." Jones NF.
565. Facultie du Medecin, University of Phnom Penh, Cambodia, July 2013. "Fractures of the hand." Jones NF.
566. American Society for Surgery of the Hand, San Francisco, California, October 2013. Invited Speaker, Young Members Forum. "Operations I no longer perform." Jones NF.
567. American Society for Surgery of the Hand, San Francisco, California, October 2013. Faculty, Pre-Course: "The reconstructive hierarchy."

- “Radial forearm flap and its variations.” Jones NF.
568. American Society for Surgery of the Hand, San Francisco, California, October 2013.
Co-Chairman Pre-Course: “Anatomical structures lurking in the vicinity of common operative procedures.”
“Dupuytren’s contracture and trigger finger releases.” Jones NF.
569. American Society for Surgery of the Hand, San Francisco, California, October 2013.
Chairman Instructional Course: “Thumb reconstruction in children and adults.” “Toe-to-thumb transfers in children.” Jones NF.
570. American Society for Surgery of the Hand, San Francisco, , California, October 2013.
Faculty, Instructional Course: “Pollicization.”
“The indications for toe-to-thumb transfers rather than pollicization.” Jones NF.
571. American Society of Plastic Surgeons, San Diego, California, October 2013.
Masters Series: “Toe-to-hand transfers.” Jones NF.
572. Visiting Professor, Ajou University, Suwon, Korea, November 2013.
“Soft tissue coverage of the hand and upper extremity.” Jones NF.
573. Visiting Professor, Donjuc University, Seoul, Korea, November 2013.
“Nerve compression syndromes of the upper extremity.” Jones NF.
574. Visiting Professor, Catholic University of Korea, Seoul, Korea, November 2013.
“Soft tissue coverage of the hand and upper extremity.” Jones NF.
575. Visiting Professor, Kyoto University, Kyoto, Japan, November 2013.
“Toe transfers in children.” Jones NF.
576. Third European Symposium on Pediatric Hand Surgery, London, England, January 2014.
“Post-traumatic reconstruction of thumb amputations in children.” Jones NF.
577. Third European Symposium on Pediatric Hand Surgery, London, England, January 2014.
“Indications for reconstruction of congenital hand anomalies by toe-to-hand transfers.”
Jones NF.
578. American College of Surgeons Southern California Chapter, Santa Barbara, California,
January 2014. “A new tendon transfer for reconstruction of children with hypoplastic or
absent thumbs.” Yoon A, Jones NF.

TEACHING PRESENTATIONS

1983 April

Harvard Medical School, Massachusetts General Hospital,
Boston, Massachusetts.
Clinical Microsurgery Course: "Digital replantation".

Massachusetts General Hospital,
Boston, Massachusetts.
Hand Surgery Grand Rounds: "Rheumatoid tendon ruptures".

September

Massachusetts General Hospital,
Boston, Massachusetts.

Surgical Grand Rounds: "The role of microsurgery in peripheral nerve injuries".

December

Massachusetts General Hospital,
Boston, Massachusetts.

Hand Surgery Grand Rounds: "Internal fixation of hand fractures".

1984 July

Presbyterian-University Hospital, Pittsburgh.

Department of Emergency Medicine.

"Evaluation of hand injuries".

August

Presbyterian-University Hospital, Pittsburgh.

Department of Emergency Medicine.

"Evaluation of hand injuries".

September

University of Pittsburgh, School of Medicine, Department of Emergency Medicine.

Emergency Medicine Lecture Series: "Hand problems".

Presbyterian-University Hospital, Department of Emergency Medicine.

"Evaluation of hand injuries".

November

Presbyterian-University Hospital, Department of Emergency Medicine.

"Evaluation of hand injuries".

University of Pittsburgh, School of Medicine, Department of Orthopedics.

"Principles and techniques of external fixation: Replacement of bone-recent innovations".

1985 January

Presbyterian-University Hospital, Department of Emergency Medicine.

"Evaluation of hand injuries".

University of Pittsburgh, School of Medicine.

Emergency Medicine Grand Rounds: "Hand trauma".

University of Pittsburgh, School of Medicine.
Surgical Grand Rounds: "Peripheral nerve surgery in the upper limb".

February

Presbyterian-University Hospital, Department of Emergency Medicine.
"Evaluation of hand injuries".

University of Pittsburgh, School of Medicine.
Rheumatology Grand Rounds: "Surgery for rheumatoid deformities of the wrist and thumb".

University of Pittsburgh, School of Medicine,
Surgical Grand Rounds: "Esophageal reconstruction by microvascular jejunal transfer".

Citizen's General Hospital, New Kensington, Pennsylvania.
Grand Rounds: "Interaction of the hand surgeon with other medical and surgical specialties".

March

Children's Hospital of Pittsburgh.
Pediatric Grand Rounds: "Treatment of congenital hand anomalies."

Presbyterian-University Hospital, Department of Emergency Medicine.
"Evaluation of hand injuries".

Beaver County Medical Center, Beaver, Pennsylvania.
"Free tissue transfer".

University of Pittsburgh, School of Medicine and American Cancer Society, Eye and Ear Hospital.

Mini-Seminar on Head and Neck Oncology: "Microsurgical tissue transfer for mandibular reconstruction."

April

University of Pittsburgh, School of Medicine.
Orthopedic Grand Rounds: "Replantation".

Presbyterian-University Hospital, Department of Emergency Medicine.
"Evaluation of hand injuries".

May

Magee Women's Hospital, Pittsburgh, Pennsylvania.
Neonatology Grand Rounds: "Treatment of congenital anomalies of the hand".

Presbyterian-University Hospital, Department of Emergency Medicine.
"Evaluation of hand injuries".

September

University of Pittsburgh, School of Medicine, Department of Emergency Medicine.
Emergency Medicine Lecture Series: "Hand trauma".

University of Pittsburgh, School of Medicine, Department of Emergency Medicine.
Symposium on Wound Repair: "Wound repair in the hand".

October

Westmoreland Hospital, Greensburg, Pennsylvania.
Grand Rounds: "Congenital anomalies of the hand".

Presbyterian-University Hospital, Department of Emergency Medicine.
"Replantation".

November

University of Pittsburgh, School of Medicine.
Plastic Surgery Grand Rounds: "Replantation".

1986 January

University of Pittsburgh, School of Medicine.
Plastic Surgery Grand Rounds: "Hand fractures".

February

Presbyterian-University Hospital.
Trauma Course: "Replantation; Facial trauma".

University of Pittsburgh, School of Medicine.
Medical Grand Rounds: "Examination of the hand and common hand problems".

March

Presbyterian-University Hospital Trauma Workshop.
"Replantation".

April

University of Pittsburgh, School of Medicine.

Plastic Surgery Grand Rounds: "Vascularized bone grafting".

September

University of Pittsburgh, School of Medicine, Department of Emergency Medicine.
Emergency Medicine Lecture Series: "Hand problems".

October

University of Pittsburgh, School of Medicine.
Surgical Grand Rounds: "Replantation and revascularization in the upper extremity".

1987 February

University of Pittsburgh, School of Health Related Professions.
"Therapy following hand surgery".

University of Pittsburgh, School of Medicine.
Rheumatology Grand Rounds: "Surgery for rheumatoid arthritis of the wrist and hand".

Presbyterian-University Hospital.
Trauma Course: "Replantation," "Facial injuries".

March

University of Pittsburgh, School of Medicine.
Medical Grand Rounds: "Examination of the hand and common hand problems".

April

University of Pittsburgh, School of Medicine.
"Microsurgical reconstruction for head and neck cancer".

Presbyterian-University Hospital, Trauma Workshop.
"Replantation and revascularization"

May

University of Pittsburgh, School of Medicine.
Orthopaedic Surgery Grand Rounds: "Nerve repair and nerve grafting".

September

University of Pittsburgh, School of Medicine, Department of Emergency Medicine.
Emergency Medicine Lecture Series: "Hand problems".

November

University of Pittsburgh, School of Medicine.
Medical Grand Rounds: "Examination of the hand and common hand problems".

Presbyterian-University Hospital, Trauma Workshop.
"Replantation," "Facial injuries".

University of Pittsburgh, School of Medicine.
Symposium on Tumors of the Cranial Base, Diagnosis and Treatment:
"Reconstruction of the cranial base".

1988 January

University of Pittsburgh, School of Health Related Professions.
"Therapy following hand surgery".

February

University of Pittsburgh, School of Medicine.
Rheumatology Grand Rounds: "Surgery for rheumatoid arthritis of the wrist and hand".

April

University of Pittsburgh, Department of Athletics.
"Sports injuries affecting the hand".

May

University of Pittsburgh, School of Health Related Professions. Division of Physical Therapy.
"Hand injuries".

September

University of Pittsburgh, School of Medicine, Department of Emergency Medicine.
Emergency Medicine Lecture Series: "Hand injuries".

1989 January

Westmoreland Hospital, Greensburg, Pennsylvania.
Surgery Grand Rounds: "Microsurgical treatment of nerve injuries".

University of Pittsburgh, School of Health Related Professions.
"Hand surgery and hand therapy".

University of Pittsburgh, School of Medicine, Department of Emergency Medicine.
Grand Rounds: "Hand trauma".

March

Latrobe Area Hospital, Latrobe, Pennsylvania.
Emergency Medicine Grand Rounds: "Hand injuries".

Children's Hospital of Pittsburgh.
Trauma Grand Rounds: "Tendon injuries in children".

June

University of Pittsburgh, School of Medicine.
Orthopaedic Surgery Grand Rounds: "Soft tissue coverage of the lower leg."

University of Pittsburgh School of Medicine:
Plastic Surgery Grand Rounds: "Tendon transfers in the hand."

University of Pittsburgh School of Medicine
Department of Otolaryngology Tumor Board: "Selection of vascularized bone transfers for mandibular reconstruction."

September

University of Pittsburgh, School of Medicine. Department of Emergency Medicine.
Emergency Medicine Lecture Series: "Hand trauma".

October

University of Pittsburgh, School of Medicine. Department of Orthopaedic Surgery.
Trauma Conference: "Management of open fractures of the upper and lower extremities".

November

Presbyterian University Hospital.
Trauma Course: "Replantation".

1990 January

University of Pittsburgh, School of Health Related Professions.
"Hand surgery and hand therapy".

Children's Hospital of Pittsburgh.
Trauma Grand Rounds: "Replantation and revascularization in the upper extremity in children".

February

University of Pittsburgh, School of Medicine.
Department of Otolaryngology Grand Rounds: "Microsurgical reconstruction in the head and neck".

University of Pittsburgh, School of Medicine.
Department of Emergency Medicine Grand Rounds: "Sports injuries of the hand".
"Hand infections".

July

Children's Hospital of Pittsburgh.
Pediatric Grand Rounds: Congenital anomalies of the hand".

September

University of Pittsburgh, School of Medicine Department of Emergency Medicine
Emergency Medicine Lecture Series: "Hand Problems"

November

Presbyterian University Hospital
Trauma Course: "Replantation"

University of Pittsburgh, School of Medicine.
Rheumatology Grand Rounds: "Surgical reconstruction for rheumatoid arthritis of the wrist and hand."

December

Westmoreland Hospital, Greensburg, Pennsylvania
Surgical Grand Rounds: "Microsurgical reconstruction"

1991 January

University of Pittsburgh, School of Health Related Professions.
"Hand surgery and hand therapy".

University of Pittsburgh, School of Medicine.
Plastic Surgery Grand Rounds: "Bone grafts"

February

University of Pittsburgh, School of Medicine.
Department of Surgery. Vascular Surgery Conference: "Use of the 20 MHz ultrasonic Doppler for monitoring the patency of arterial bypass grafts".

September

University of Pittsburgh, School of Medicine.

Plastic Surgery Grand Rounds: "Examination and treatment of hand injuries."

University of Pittsburgh, School of Medicine, Department of Emergency Medicine
Emergency Medicine Lecture Series: "Hand Problems."

November

University of Pittsburgh, School of Medicine.
Rheumatology Grand Rounds: "Scleroderma of the hand"

December

University of Pittsburgh, School of Medicine.
Rehabilitation Grand Rounds: "Compression neuropathies of the upper extremity."

1992 March

Presbyterian-University and Montefiore-University Hospitals, Pittsburgh,
Pennsylvania.

Departments of Physical Therapy and Occupational Therapy.
"Tendon and nerve injuries of the hand."

University of Pittsburgh, School of Medicine.
Plastic Surgery Grand Rounds: "Congenital anomalies of the hand."

University of Pittsburgh, School of Health Related Professions.
"Hand surgery and hand therapy."

September

University of Pittsburgh, School of Medicine, Department of Emergency Medicine.
Emergency Medicine Lecture Series: "Hand Problems"

Children's Hospital, Pittsburgh, Pennsylvania.
Trauma conference: "Replantation and revascularization in the upper extremity."

October

University of Pittsburgh, School of Medicine.
Plastic Surgery Grand Rounds: "Hand Fractures"

December

University of Pittsburgh, School of Medicine.
Department of Otolaryngology Grand Rounds: "Head and neck reconstruction".

1993 February

University of Pittsburgh, School of Medicine.
Cleft Palate Grand Rounds: "Microsurgical reconstruction of the head and neck".

University of Pittsburgh, School of Medicine.
Plastic Surgery Grand Rounds: "Rheumatoid arthritis of the wrist and hand".

May

UCLA School of Medicine.
Plastic Surgery Anatomy Course: "Brachial plexus".

UCLA School of Medicine.
Surgery Grand Rounds: "Syndactyly"

UCLA School of Medicine.
Care of Emergency Hand Problems Course: "Fingertip injuries".

UCLA School of Medicine.
Care of Emergency Hand Problems Course: "Hand infections".

UCLA School of Medicine.
Care of Emergency Hand Problems Course: "Nerve injuries".

June

UCLA School of Medicine.
Plastic Surgery Anatomy Course: "Wrist and hand".

July

UCLA School of Medicine.
3rd Year Medical Students: "Soft tissue orthopaedics".

UCLA School of Medicine.
Plastic Surgery Grand Rounds: "Problems in hand surgery".

UCLA School of Medicine.
Orthopaedic Surgery Grand Rounds: "Hand Trauma"

August

UCLA School of Medicine.
3rd Year Medical Students: "Hand Surgery".

UCLA School of Medicine.
Department of Pediatrics: "Hand injuries and infections in children".

October

UCLA School of Medicine.
Division of Rheumatology: "Rheumatoid arthritis of the wrist and hand".

Sepulveda VA Hospital.
Rheumatology conference: "Rheumatoid arthritis of the wrist and hand".

UCLA School of Medicine.
Orthopaedic Grand Rounds: "Compression neuropathies around the elbow".

November

UCLA School of Medicine.
Department of Pediatrics: "Congenital anomalies of the hand".

UCLA School of Medicine.
Department of General Surgery Grand Rounds: "Advances and controversies in hand surgery".

UCLA School of Medicine.
Department of Orthopaedic Surgery: "Soft tissue coverage of open tibial fractures".

Olive View County Medical Center.
Department of Pediatrics Grand Rounds: "Congenital anomalies of the hand".

1994 January

UCLA School of Medicine.
Department of Orthopaedic Surgery Core Curriculum: "Nerve injuries and nerve grafting".

UCLA School of Medicine.
Department of Orthopaedic Surgery Core Curriculum: "Rheumatoid arthritis of the wrist and hand".

February

UCLA School of Medicine.
Department of Orthopaedic Surgery Core Curriculum: "Tendon transfers of the wrist and hand".

UCLA School of Medicine.
Emergency Medicine Grand Rounds: "Hand injuries I".

UCLA School of Medicine.
Department of Orthopaedic Surgery Core Curriculum: "Congenital anomalies of the hand".

UCLA School of Medicine.
Division of Plastic and Reconstructive Surgery Endoscopy Symposium: "Endoscopic carpal tunnel release".

March

UCLA School of Medicine.
Emergency Medicine Grand Rounds: "Hand injuries II".

April

UCLA School of Medicine.
Second Annual Care of Emergency Hand Problems: "Fingertip injuries".

UCLA School of Medicine.
Second Annual Care of Emergency Hand Problems: "Nerve injuries".

Tarzana Hospital, Tarzana, California.
"Congenital anomalies of the hand".

May

Kaiser Permanente, Los Angeles, California.
Pediatric Grand Rounds: "Congenital anomalies of the hand".

June

Glendale Adventist Hospital, Glendale, California.
"Common hand problems".

UCLA School of Medicine.
Division of Plastic and Reconstructive Surgery Grand Rounds: "Microsurgical reconstruction of the upper extremity"

Kaiser Permanente, Bellflower, California.
Pediatric Grand Rounds: "Congenital anomalies of the hand".

July

UCLA School of Medicine.
Department of Orthopaedic Surgery: "Anatomy of the hand".

UCLA School of Medicine.
Division of Plastic and Reconstructive Surgery: "Anatomy of the upper limb".

UCLA School of Medicine.
Division of Plastic and Reconstructive Surgery: "Hand trauma".

September

UCLA School of Medicine.
Department of Orthopaedic Surgery Alumni Day: "Advances in surgical treatment of syndactyly".

October

UCLA Medical Center Health Fair.
"Carpal tunnel syndrome and common hand problems".

November

UCLA School of Medicine.
Division of Rheumatology Grand Rounds: "Surgery for Raynaud's phenomenon in the hand".

UCLA School of Medicine.
Department of Surgery Grand Rounds: "The UCLA microsurgery program". Shaw W, Jones NF, Markowitz B.

UCLA School of Medicine
Department of Orthopaedic Surgery, Sports Medicine Conference: "Sports injuries of the wrist and hand".

1995 January

UCLA School of Medicine
UCLA Student Health Service: "Common problems of the wrist and hand"

UCLA School of Medicine
Department of Orthopaedic Surgery Grand Rounds: "Microsurgical salvage after upper extremity trauma".

February

UCLA School of Medicine
Department of Medicine Grand Rounds: "Common hand problems".

UCLA School of Medicine
Department of Surgery Grand Rounds: "Compression neuropathies of the upper limb".

March

UCLA School of Medicine
Department of Orthopaedic Surgery Core Curriculum: "Rheumatoid arthritis of the wrist and hand".

August

UCLA School of Medicine
Division of Plastic and Reconstructive Surgery: "Hand injuries"

UCLA School of Medicine
Division of Family Medicine Grand Rounds: "Common hand problems".

October

UCLA School of Medicine
Department of Orthopaedic Surgery Grand Rounds: "Microsurgical approach to chronic osteomyelitis".

November

Kaiser Permanente, Woodland Hills, California. Scleroderma Support Group:
"Scleroderma of the hand".

Kaiser Permanente, Anaheim, California. Orthopaedic Surgery Department:
"Replantation in the upper extremity".

December

UCLA School of Medicine
Department of Orthopaedic Surgery Core Curriculum: "Soft tissue coverage of fractures of the lower extremity".

1996 January

Granada Hills Hospital, Granada Hills, California.
Surgical Grand Rounds "Microsurgical reconstruction of the upper extremity"

March

UCLA School of Medicine
Department of Orthopaedic Surgery Grand Rounds: "Circumferential wrapping of peripheral nerves with pedicled and free flaps for treatment of end stage traction neuritis".

UCLA School of Medicine

Department of Orthopaedic Surgery Core Curriculum: "Rheumatoid arthritis of the wrist and hand".

UCLA School of Medicine

Department of Orthopaedic Surgery Core Curriculum: "Nerve injuries and nerve grafting".

UCLA School of Medicine

Department of Orthopaedic Surgery Core Curriculum: "Congenital anomalies of the hand".

UCLA School of Medicine

Department of Orthopaedic Surgery Core Curriculum: "Tendon transfers of the wrist and hand".

May

Olive View County Medical Center, Sylmar, California.

Emergency Medicine Grand Rounds. "Traumatic hand injuries".

UCLA School of Medicine

Department of General Surgery Intern lectures: "Hand injuries".

June

UCLA Medical Center, Los Angeles, California.

Case Management Update Symposium:

"Microsurgical reconstruction of the upper extremity - replantation, toe-to-hand transfers" "Microsurgical reconstruction after head and neck cancer".

July

UCLA School of Medicine

Department of Orthopaedic Surgery Core Curriculum:

"Examination of the forearm, wrist and hand".

UCLA School of Medicine

Division of Plastic and Reconstructive Surgery: "Hand injuries".

UCLA School of Medicine

Division of Plastic and Reconstructive Surgery: "Anatomy of the forearm, wrist and hand".

October

UCLA School of Medicine

Department of Orthopaedic Surgery Grand Rounds: "Repetitive stress injury".

November

UCLA School of Medicine

Division of Emergency Medicine Grand Rounds: "Hand infections".

Midway Hospital, Los Angeles, California

Grand Rounds: "Rheumatoid arthritis of the wrist and hand".

1997 February

UCLA Primary Care Symposium, Las Vegas, Nevada

"Common hand problems".

April

Shriners Hospital, Los Angeles, California

Department of Orthopaedic Surgery Grand Rounds:

"Microsurgical reconstruction of the hand in children".

UCLA School of Medicine

Division of Plastic and Reconstructive Surgery Grand Rounds:

"Tendon transfers for reconstruction of the wrist and hand".

May

UCLA School of Medicine

Department of Surgery Grand Rounds:

"Replantation in the upper extremity".

UCLA School of Medicine

Department of Orthopaedic Surgery Core Curriculum:

"Rheumatoid arthritis of the wrist and hand".

June

UCLA Athletics Department

"Hand injuries in athletes"

UCLA Medical Center

Case Management Update:

"Case management for common hand problems".

UCLA School of Medicine

Orthopaedics for Primary Care Symposium:

"Acute hand and wrist injuries"

"Chronic hand problems"
"Entrapment neuropathies".

UCLA School of Medicine
Department of Orthopaedic Surgery Core Curriculum:
"Examination of the hand".

UCLA School of Medicine
Division of Plastic and Reconstructive Surgery:
"Hand injuries".

October

UCLA School of Medicine
Department of Orthopaedic Surgery Core Curriculum:
"Flap coverage of open fractures of the lower extremity".

1998 February

UCLA School of Medicine
Department of Orthopaedic Surgery Core Curriculum
"Metacarpal and phalangeal fractures"

March

UCLA School of Medicine
Department of Orthopaedic Surgery Core Curriculum
"Rheumatoid arthritis of the wrist and hand"

April

University of California Irvine, Department of Orthopedic Surgery.

“Current Treatment of Orthopedic Conditions: an Evidence-based Approach from
Childhood to Adults.”

“Long term follow-up of cleft hand from childhood to adult.”

October

University of California Irvine, Department of Orthopedic Surgery.

“Soft tissue coverage of the hand and upper extremity.”

2015 April

University of California Irvine, Wilson-Bost Orthopaedic Surgery Symposium.

“Soft tissue and bone reconstruction after resection of tumors of the upper and lower
extremities.”

COURSES ORGANIZED

- 1988 October
 "Diagnosis and management of hand injuries".
 University of Pittsburgh School of Medicine
 Course Director: NF Jones, MD
- 1995 October
 American Society for Surgery of the Hand, Regional Review Course.
 Los Angeles, California.
 Course Chairman: NF Jones, MD
- 1995 December
 "Common hand injuries and problems in the work place".
 UCLA Medical Center
 Course Director: NF Jones, MD
- 1998 November
 American Society for Surgery of the Hand, Regional Review Course.
 Los Angeles, California.
 Course Chairman: NF Jones, MD
- 2012 June
 University of California Irvine Hand Symposium.
 Course Chairman: NF Jones, MD

RESEARCH

- 1971 Research Thesis, Oxford University, England.
 "Effect of estrogen on messenger RNA synthesis in the rat uterus."
- 1973 Clinical Immunology, Yale University, New Haven, Connecticut.

GRANTS

- 1985-1986 Plastic Surgery Education Foundation - \$2,500
 "Synchronous cardiac transplantation and microvascular transfer of gracilis muscle in dogs for comparison of endomyocardial and skeletal muscle histology to monitor rejection."

- 1986-1987 University of Pittsburgh, Research Development Fund - \$1,250
"Transplantation of the vascularized gracilis muscle - obturator nerve unit in Cyclosporine - immunosuppressed in dogs."
- 1986-1987 Presbyterian-University Hospital Competitive Research Fund- \$13,900
"Vascularized skeletal muscle transplantation in dogs immunosuppressed with Cyclosporine."
- 1987-1988 Benjamin Franklin Challenge Grant - \$50,000
Benjamin Franklin Partnership of the Commonwealth of Pennsylvania.
"Development of an implantable ultrasonic Doppler probe for monitoring microsurgical anastomoses."
- 1988-1989 Presbyterian-University Hospital Competitive Research Fund- \$22,153
"Microsurgical transplantation of vascularized knee joints."
- 1988-1989 Benjamin Franklin Challenge Grant - \$58,890
Benjamin Franklin Partnership of the Commonwealth of Pennsylvania.
"Development of an implantable ultrasonic Doppler probe for monitoring microsurgical anastomoses."
- 1991-1992 Plastic Surgery Educational Foundation - \$4,973
"Transplantation of vascularized knee joints using compound FK-506."
- 1992-1995 AO/ASIF Foundation, Berne, Switzerland - \$63,860
"Transplantation of vascularized bone and vascularized joints in small and large animals using compound FK-506"
- 1994-1996 Co-investigator
PHS/National Institute of Arthritis and Musculoskeletal & Skin Disease - \$152,957
"Factors influencing survival of vascularized bone grafts".
- 1996-2000 AO/ASIF Foundation, Berne, Switzerland - \$60,180

"Prefabrication of bone in a vascularized periosteal flap using Bone Morphogenic Protein (BMP) transformation and gene therapy"

HAND SURGERY - MICROSURGERY FELLOWS

1984-85	S. Goldstein, MD	Private practice Denver, Colorado
	E. Lanigan, MD	Associate Professor of Plastic Surgery Michigan State University Lansing, Michigan
1985-86	G. Robb, MD	Professor and Chief of Plastic Surgery M.D. Anderson Cancer Center University of Texas Houston, Texas
	K. Shestak, MD	Professor of Plastic Surgery University of Pittsburgh Pittsburgh, Pennsylvania
1986-87	N. Ming, MD	Private practice Orlando, Florida
	Z. P. Lorenc, MD	Private practice New York City, New York
1987-88	M. A. Schusterman, MD	Professor of Plastic Surgery M.D. Anderson Cancer Center University of Texas Houston, Texas
	N. Weinzweig, MD	Associate Professor of Plastic Surgery University of Illinois Chicago, Illinois
1988-89	P. Fischer, MD	Private practice New Haven, Connecticut
1989-90	Haven Barlow, MD	Private practice Washington, DC
	Wayne Wu, MD	Assistant Professor of Plastic Surgery Taipei Medical College Taiwan

1990-91	Stan Monstrey, MD	Professor and Chief of Plastic Surgery University of Ghent, Belgium
1991-92	Joseph Minarchek, MD	Private practice Columbus, Ohio
	William Kuzon, MD	Professor and Chief of Plastic Surgery University of Michigan Ann Arbor, Michigan
1992-93	Andrew Friedman, MD	Walter Reed Army Medical Center Washington, DC
1993-94	Curtis Crimmins, MD	Private practice Milwaukee, Wisconsin
	Kent Gabriel, MD	Private practice Carson, Nevada
1994-95	Guy Foulkes, MD	Private practice Macon, Georgia
1995-96	Neil Chen, MD	Private practice Albuquerque, New Mexico
	Gordon Singer, MD	Private practice Denver, Colorado
1996-97	Eric Emerson, MD	Private practice Charlotte, North Carolina
	Stefan Klein, MD	Private practice Watsonville, California
1997-98	Ranjan Gupta, MD	Professor and Chairman of Orthopaedic Surgery, University of California, Irvine Irvine, California
	Prosper Benhaim, MD	Associate Professor of Orthopaedic Surgery & Plastic Surgery Chief of Hand Surgery

		University of California, Los Angeles Los Angeles, California
1998-99	Benjamin Maser, MD	Clinical Assistant Professor of Plastic & Reconstructive Surgery Stanford University Palo Alto, California
	Pearl Hu, MD	Private practice Kaiser Permanente Hayward, California
1999-00	Alidad Ghiassi, MD	Assistant Professor of Orthopaedic Surgery University of Southern California Los Angeles, California
	James Chang, MD	Professor and Chief of Plastic Surgery Stanford University Palo Alto, California
2000-01	Douglas Chin, MD	Private practice Oakland, California
	Kenneth Sabbag, MD	Private practice Los Angeles, California
2001-02	Erin Brown, MD	Assistant Professor and Chief of Plastic Surgery and Hand Surgery University of British Columbia Vancouver, British Columbia
	Kayvan Khiabani, MD	Associate Professor of Plastic Surgery University of Nevada Las Vegas, Nevada
2002-03	Adil Esmail, MD	Kaiser Permanente Los Angeles, California
	Ryan Karlstad, MD	Private practice Minneapolis, Minnesota
2003-04	Kodi Azari, MD	Associate Professor of Plastic Surgery

		University of California, Los Angeles Los Angeles, California
	John Kim, MD	Associate Professor of Plastic Surgery Northwestern University Chicago, Illinois
2004-05	Neil Harness, M.D.	Kaiser Permanente Yorba Linda, California Clinical Associate Professor University of California, Irvine
	Sean Bidic, M.D.	Assistant Professor of Plastic Surgery University of Texas Southwestern Dallas, Texas
2005-06	Walter Chang, M.D.	Kaiser Permanente Fontana, California
	John Mahoney, M.D.	Private Practice Peoria, Illinois
2006-07	Steven Bates, M.D.	Private Practice Palo Alto, California
	Scott Hansen, M.D.	Associate Professor of Plastic Surgery Chief of Hand Surgery University of California, San Francisco
2007-08	Matthew Enna, M.D.	Private Practice Beverly Hills, California
	Jerry Huang, M.D.	Assistant Professor of Orthopedic Surgery Chief of Hand Surgery University of Washington, Seattle, Washington
2008-09	Scott Mitchell, M.D.	Assistant Professor of Orthopaedic Surgery University of California, Los Angeles Los Angeles, California
2008-2009	Katherine Au, M.D.	Shriners Hospital

		Los Angeles, California
2008-2009	Jennifer Ammon, M.D.	Private Practice Atlanta, Georgia
2009-10	Ying Chi, MD	Private Practice Garden Grove, California Clinical Assistant Professor University of California, Irvine
2010-11	Gustavo Machado, MD	Assistant Professor of Plastic and Reconstructive Surgery Loma Linda, University Loma Linda, California
2010-2011	Gabriel Trainer, MD	Kaiser Permanente, Riverside, California
2011-2012	Joseph Woodward, MD	Private Practice Eugene, Oregon
2011-2012	Justin Heller, MD	Private Practice Los Angeles, California
2012-2013	John Beck, MD	Private Practice Seattle, Washington
2012-2013	Andrew Ritting, MD	Private Practice New York
2013-2014	William Dahl, MD	Private Practice Morgantown, West Virginia
2013-2014	Christopher English, MD	Private Practice Salt Lake City, Utah
2014-2015	Jacques Hacquebord, MD	Assistant Professor of Orthopaedic Surgery New York University New York

2014-2015	Patrick Reavey, MD	Assistant Professor of Plastic and Reconstructive Surgery University of Chicago Chicago, Illinois
2015-2016	Antony Hazel, MD	Private Practice Louisville, Kentucky
2015-2016	James Clune, MD	Assistant Professor of Plastic and Reconstructive Surgery Yale University New Haven, Connecticut

RESEARCH FELLOWS

1986-1987	Lori Cherup, MD
1987-1988	Alice Rocke, MD
1991-1992	Zhao Min, MD Associate Professor of Plastic Surgery Ba-da-Chu Hospital Beijing, China
1992-1993	Rolf Buttemeyer, MD - awarded PhD Professor and Chief of Plastic Surgery Humboldt University, Berlin, Germany
1993-1994	Detlev Hebebrand, MD - awarded PhD Professor and Chief of Plastic Surgery University of Bochum, Bochum, Germany
1994-1995	Hee Chang Ahn, MD Professor and Chief of Plastic Surgery, Hanyang University Seoul, South Korea

- 1995-1996 John Song, MD
Assistant Professor of Head and Neck Surgery
University of South Florida
Tampa, Florida
- 1996-1997 Esther Vogelin, MD
Professor and Chief of Hand Surgery
University Hospital
Bern, Switzerland
President, Swiss Society for Surgery of the Hand
- 2003-2004 Je-Tien Lee MD
Assistant Professor of Plastic Surgery
Taipei, Taiwan
- 2003-2005 SuRak Eo, MD, PhD
Associate Professor and Chief of Plastic Surgery
Chonnam National University Hospital
Gwanju, South Korea
- 2007-2008 Hee Chang Ahn, MD
Professor and Chief of Plastic Surgery,
Hanyang University
Seoul, South Korea
President, Korean Society of Reconstructive Microsurgery
President, Korean Society for Surgery of the Hand
- 2011-2012 SuRak Eo, MD, PhD
Associate Professor and Chief of Plastic Surgery
Chonnam National University Hospital
Gwanju, South Korea
- 2013-2014 Romsak Limthongthang, MD
Assistant Professor of Orthopaedic Surgery
Bangkok, Thailand
- 2015-2016 Seong Ho Jeong, MD
Associate Professor of Plastic and Reconstructive Surgery
Korea University
Seoul, South Korea

MEDICAL STUDENT RESEARCH SUPERVISOR

1984-1988	Alan Klein, MD
1987	Jacky Peterson, MD
1997-1998	Jeff Gates, MD
1998-2001	Jerry Huang, MD
2002-2004	Amir Mostofi, MD
2006	Casimir Dowd, MD
2009-2013	Jesse Kaplan, MD
2012-2013	Michael Stone, MD
2013-2014	Givenchy Manzano, MD
2013-	Alfred Yoon, MS
2014-	Alex Doermann, MS
